SOME SILVERWARE IS STAMPED "STERLING"

But by whom? Whose word are you taking that it IS sterling? The retailer himself probably does not know who made it. When buying a wedding gift, or silver for the family, the mere word "sterling" is not sufficient.

Silverware
Stamped **Sterling**

IS sterling, and is warranted to be 92½ fine by the makers, who are one of the largest and wealthiest manufacturers of silver goods in America.

It is the Trade Mark of —
