Scientific and Useful.

THE best liquid for cleaning old brass is a solution of oxalic acid

COAL oil applied to unused stoves will keep them from rusting.

LADIES go into ecstasies over the new perfume, "Lotus of the Nile."

A DAMP cloth dipped in common soda will brighten tin ware easily.

TO CLEAN KNIVES.—Cut a small potato, dip it in brick dust and rub them.

GREASE may be removed from silk by applying magnesia to the wrong side.

ST. LEON highly recommended by John Potts, D.D. See to-day's advertisement.

NEW iron should be gradually heated at first, it will not be so likely to crack.

PAINT splashes may be removed from window panes by a very hot solution of soda, using a soft flannel.

MILDEWED linen may be restored by soaping the spots, and while wet covering them with powdered chalk.

USE Campbell's Cathartic Compound for liver complaints and bilious disorders.

TO EXTRACT PAINT FROM CLOTHING.—Saturate the spots with spirits of turpentine, let it remain several hours, then rub it and it will drop off.

JAVELLE water is indispensable in laundry work; dip any stains in it for a moment, then in boiling water, and they will disappear. If any yellowness remains, bleach.

Consumption Surely Cured.

TO THE EDITOR—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their Express and P. O. address. Respectfully, **DR. T. A. SLOCUM,** Branch Office, 37 Yonge Street, Toronto.

BOILING water made strong with ammonia, and applied with a whisk broom, cleans willow chairs admirably. Scap should never be used, as it turns them yellow.

ITALIAN RICE PUDDING.—A teacupful of rice, the yolks of four eggs, the whites of three beaten separately, two ounces pounded sugar, two ounces raisins, one-quarter pound suet, chopped very fine; flavouring of ratafia or vanilla; put these ingredients into a mould and boil an hour and a half. Serve with sweet sauce.

THE TRIUMPHANT THREE.—"During years' suffering with dyspepsia I tried almost every known remedy, but kept getting worse until I tried B. B. B. I had only used it only three days when I felt better, three bottles completely cured me." **W. Nichols,** of Kendall, Ont.

COPPERAS, dissolved in boiling water, will instantly cleanse iron sinks and drains. A few drops of spirits of turpentine mixed with stove blacking lessens labour, and adds polish. Coal oil in cooked starch (a teaspoonful to a quart), will prevent clothes sticking to the irons, and gives a gloss; the scent evaporates in the drying. Powdered borax is good, if one decidedly objects to the smell of coal oil.

I CAN SAFELY recommend Ely's Cream Balm for the cure of Catarrh, Cold in the Head, etc. Before I have used the first bottle I purchased I find myself cured. At times I could scarcely smell anything and had a headache most of the time.—**HENRY LILLY,** Agent for the American Express Co., Grand Haven, Mich.

ELY'S CREAM BALM cured me of Catarrh of many years' standing—restored my sense of smell. For colds in the head it works like magic. **E. H. SHERWOOD,** National State Bank, Elizabeth, N. J.

It has been found that trees are longest lived when kept in sod. When the soil is cultivated, the tree, especially in a rich soil, will often make a rank growth of three or four feet. The wood will be soft, and as it generally fails to ripen, the growth will be killed during the winter. In clean, open soil, too, the freezing and thawing of winter is more injurious than if the ground is covered with a good sod.

Consumption Can be Cured

By proper, healthful exercise, and the judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, which contains the healthy and strengthening virtues of these two valuable bodies in their fullest form. **Dr. D. D. McDonald,** Proprietor, N. B., says: "I have been preparing Scott's Emulsion with good results. It is especially useful in persons of consumptive tendencies."—Put up in 50 cents and \$2 size
