

Those who believe that Dr. Sage's Catarrh Remedy will cure them are more liable to get well than those who don't.

If you happen to be one of those who don't believe, there's a matter of \$500 to help your faith. It's for you if the makers of Dr. Sage's remedy can't cure you, no matter how bad or of how long standing your catarrh in the head may be.

The makers are the World's Dispensary Medical Association of Buffalo, N.Y. They're known to every newspaper publisher and every druggist in the land, and you can easily ascertain that their word's as good as their bond.

Begin right. The first stage is to purify the system. You don't want to build on a wrong foundation, when you're building for health. And don't shock the stomach with harsh treatment. Use the milder means.

You wind your watch once a day. Your liver and bowels should act as regularly. If they do not, use a key.

The key is—Dr. Pierce's Pleasant Pellets. One a dose.

SALLY LUNN.—One quart of flour, two eggs, one pint of milk, two teaspoonfuls of sugar, a piece of butter the size of two large-sized eggs, one-half teaspoonful of salt, two teaspoonfuls of cream of tartar and one teaspoonful of soda. Beat butter and sugar together; add the eggs, well beaten; mix the soda with the milk, and the cream of tartar with the flour.

There's no need why a woman's hand should be made ugly and distorted. Nature didn't make them so, and they wouldn't be in that condition if they had been used to a Soap like the "Sunlight." Take care of the hands, and use only "Sunlight" Soap for all household purposes.

SMITHS FALLS, 3rd June, 1890.

We are highly pleased with the No. 36 Superior Furnace which you placed in our St. Andrews Church last season, and which heated our Church and Sunday School Room adjoining, containing in all 70,000 cubic feet, to our entire satisfaction. All other furnace manufacturers claimed that two furnaces would be necessary. Your furnace is easily managed, free from dust and gas. The system of ventilation in connection with the heating has proved highly satisfactory. We have effected a great saving of fuel and labour, and are well pleased in every way.
