To the Friends of Temperance!

At the suggestion of many temperance workers, GRIP'S TELLING CARTOON,

"STOP THE DEATH FACTORIES!"

has been published in the form of a fly-sheet, for distribution in localities in which Temperance or Prohibition work may be carried on.

It is believed that this sheet will prove a most effective agent in the spread of the Prohibition sentiment, vividly portraying, as it does, the terrible results of the traffic in rum.

It would be distributed by means of the various temperance organizations, as well as by individual friends of the cause. To encourage this distribution, copies printed on good paper, and with suitable legends, are offered at the following low prices:

100 copies,	\$ 1.00.
500 "	3.00.
1,000 "	5.00.

Samples will be forwarded to all desiring to order, ADDRESS,
