

OPPORTUNITIES.

There are few who would pass through a gold mine, having full permission to carry away with them choicest specimens of its choicest treasures, who would not make use of such an opportunity. All along the highway of life, God is setting before each traveller opportunities to be and to do, which are far more valuable than the richest treasures of gold or gems which earth offers. These opportunities are so many open doors which lead to the treasure houses of God, prepared for all who seek, and offered to all who ask.

SEWING MACHINES.

No. 8.

THE BEST AND CHEAPEST.

This Machine embraces all the latest improvements, and has all the
desirable points that can be claimed for any of its competitors, while the
inventor has avoided the objectionable features of other Machines.

It has no noisy Shuttle to thread or wear out, but simply a Bobbin
that never wears. It is simple of construction, easy to handle, and runs
quietly and rapidly. There are now 85 of these Machines in one Fac-
tory in Toronto, running from 1,200 to 1,500 stitches per minute. This
is a test of durability no other Machine could stand.
