Where the Public is always pleased

is the place to buy your Shoes. That is the case here. Our Men's \$3.00 and \$3.50 Shoes are particularly pleasing this season. They are made on the newest lasts, with Oak Tanned Soles, and are Good-year Welted. We guarantee the wear, as only choicest materials are used in them.

LOVE IN WORK.

If you put love into your work you get better results. Men who make photographs and would rather plow corn don't turn out finished pictures. We love our work. It will pay you to have us do your work. Come to-day.
