JULY, 1883.

No. 7

Not by works of Righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the Holy Ghost; which he shed on us abundantly through Jesus Christ our Saviour.

Titus iii. 5, 6.

WEST END OPENING SERVICES.

DESIRING that all our friends should take part in these services, we have postponed the formal opening until Thursday, July 19th, by which date the friends will have returned to the city.

OUR NEW ORGAN.

WE have secured an excellent new Organ for our West End rooms. The musical department is improving each week. Let all who can, come and help us to sing. We want more singers both at the Union Depot and the West End rooms.

We have also been presented with a Mammoth heater coal stove, with all the fixtures, also a water filter, and a Secretary's desk.

ACKNOWLEDGMENTS.

FOR valuable assistance since our last issue, we tender thanks to Hon. S. H. Blake, Col. Gzowski, G. S. Gzowski, Jr., Sir W. P. Howland, Dr. E. Thompson, H. Langlois and several others.

We have added to our reading rooms many valuable publications. Among these may be mentioned five years of the British Workman beautifully bound, also the American Sunday Magazine, (edited by Dr. Talmage,) the London Illustrated News, Graphic and others. There are few rooms better furnished with literature.
