

## School Goods.

*THE appreciation with which our new conceptions in Scribbling and Exercise Books have been received is most gratifying. Our travellers are now showing them and will call on you in ample time to supply your requirements for the September Opening. Our stock of School Sundries contains all the latest novelties to attract the scholar, as well as the standard lines of staple articles.*

---

## Topaz Pencils.

*THE TOPAZ PENCIL is a new pencil, made in the yellow hexagon finish from the finest British Graphite and compressed copying lead, and can be supplied in five degrees:*

**H. HH. HHH. HB. B. and COPYING.**
