### WHAT EVERY TEMPERANCE MAN WANTS.

No one can overestimate the value of the weekly visit to the domestic circle of a fresh, clean, inspiring journal of progress and reform. That the people of Canada are prepared to appreciate and sustain a paper of this character, we have the strongest proof in the kind reception and support that have been accorded to THE CANADA CITIZEN. From all quarters come encouraging words of endorsement and approval. Our efforts to supply what temperance workers in Canada felt was an absolute necessity to our cause, have been crowned with the most gratifying success; of this, our rapidly increasing subscription list is only one of many evidences, and we now confidently appeal to the public for an extension of this welcome support. We believe our enterprise will commend itself to all who are desirous of aiding us in the determined warfare we are waging against the terrible evils of intemperance.

Considering the typography, size, quality of paper, and general mechanical finish of THE CANADA CITIZEN, we believe it to be the cheapest Temperance paper in the world, and we ask the public to judge as to the character and tone of the matter it contains.

We are at a crisis in the Temperance history of Canada, and no person who wants to be abreast of popular opinion on this great question, can afford to be without the journal that gives the fullest information in reference to every phase of the work, and that is the recognized organ and advocate of Temperance and Prohibition.

During the Scott Act campaign our columns will be of special interest, containing comprehensive accounts of what our friends and foes are doing in every part of the country. In addition to this we will furnish our readers both editorially and in carefully selected articles with the fullest and strongest facts and arguments in support of our movement. We will also have departments of the purest and best family literature, including tales, sketches, illustrated biographies of our prominent temperance workers, choice poetry, a casket of literary gems of beauty, worth, and fun, and a summary of the most important items of general news.

As a further inducement to new subscribers we make the following liberal offer:—

(1) THE CANADA CITIZEN will be sent to any address from the present time till the end of 1885 for one dollar, thus giving it free for the coming three months.

(2) We will mail a copy of THE CANADA CITIZEN every week till the end of the present year to any twelve addresses for one dollar.

## Another Batch of Glorious Victories.

Owing to our full report of the recent interesting W.C.T.U. convention, we are obliged to hold over till next week much other matter. We regret that the report named appears so late, but it is of too much importance to our country and our cause to be left out.

Scott Act prayer and praise meetings will be held on Tuesday, 11th inst., at the office of THE CANADA CITIZEN, 8 King Street East, Toronto, to receive reports from the field of fight, and ask God's blessing on our armies and our cause. All are cordially invited.

We commence this week the publication of THE BURNISH FAMILY, a temperance tale of the deepest interest. It was awarded a special prize by the Scottish Temperance League, and ought to be widely circulated and read.

Hon. J. B. Finch, of Nebraska, a temperance orator of rare ability, and the present Grand Worthy Chief Templar of the I.O.G.T., will speak in Toronto next week. All who can should hear him.

Again the liquor traffic has been trying to interfere with the carrying out of the people's wishes by violence and fraud. It is remarkable how petty and childish are all their efforts in this direction. The latest outrage is the stealing of ballot-boxes in Orangeville and Goderich before the official counting of the votes. There is no likelihood that this action will affect the result, or prevent the Scott Act's coming in force, but nevertheless it shows the character of the liquor business and the desperation to which it is driven.

Mr. W. Kyle, of Toronto, the Anti-Scott literary advocate, who by affidavit, &c., recently made very emphatic assertions as to the genuineness of all liquors in his establishment, has been effectually answered by the legal decision recorded in the following item from the *Orillia Packet*:—

"Mr. W. Kyle, the Toronto Anti-Scott champion, sued an Orillia hotel-keeper for the price of five barrels of beer, and the defendant brought "expert" evidence that the beer evidently was not pure. This evidence will be of interest to those who read Mr. Kyle's letters in the *Globe*. Mr. Kyle was non-suited."
