GENERAL ADVERTISEMENTS.

PROSPECTUS OF THE SECOND VOLUME OF THE WATCHMAN, Literary Miscellany, & General Advertiser.

WHILE retaining all the essential qualities of the current Volume, its successor will exhibit

Various and Important Improvements.

The extent to which this Journal has been favored with advertising patronage, has rendered indispensable the ENLARGEMENT OF OUR SHEET.

The coming Volume of the Watchman, without adherence to the classification of Departments, as at present employed, will contain all the essential elements of an

INTERESTING & INSTRUCTIVE FAMILY JOURNAL,

and adapted to the taste of every lover of sound Literature. To secure these indispensable qualities, the Subscriber will avail himself of the current Literature of Britain and America, thereby rendering this Journal a choice

Literary Miscellany,

Adapted alike to Town and Country.

Although the organ of no sect or party, and maintaining a decidedly independent position, both with regard to religious and general questions,—"The Watchman" will cheerfully herald the progress of christianity, in every section of the church—will remain the faithful alarmist when error invidiously prevails, the unflinching advocate of Evangelical Protestantism, of Religious Equality, Civil and Ecclesiastical Liberty, the Voluntary Principle and

NONCONFORMITY IN GENERAL,

to the utter exclusion of SECTARIAN BICKERINGS, or PARTY POLITICS.

Instead of the quarto form, containing eight pages, the Second Volume will be published on a larger sheet, and in the common Newspaper form, each sheet containing four pages.

Ministers of the Gospel, and other responsible parties are respectfully requested to act as Agents.

Each Agent furnishing ten new Subscribers, and remitting their subscription in advance, will be entitled to a copy of the Watchman for one year.

Communications to be addressed to "T. T. HOWARD, Box 321, Toronto P.O.," and in order to secure attention, must be invariably post-paid.

PLANTAGENET WATER.

The proprietor of the Plantagenet Springs Water has received the following Testimonials. The efficacy of the Plantagenet Water is now an established fact.

Montreal, March 22, 1850.

Since August, 1848, I have recommended the Plantagenet Waters in a variety of Chronic complaints, and with good effect. It has proved very useful in Dyspepsia, Rheumatism, and Scrofula. Weakly and nervous persons, and those in whom there was an increased action of the bowels and kidneys, took but half a tumbler at a time, repeated every hour or two. When possessed of more strength, and there existed a tardy state of the secretions, the water was more copiously partaken of; and in cases of Plathora, where a disposition to congestion predominated, with a tendency to fever and irritation, it was taken to the extent of several pints a day.

It would be a most happy circumstance if "Mineral Waters" generally, were to supersede, and be substituted for, the thousands of vile and pernicious compounds, under the style of Patent Medicines, with which a certain class of the community gorge themselves, to their manifest injury, and to the advantage, solely, of the unscrupulous manufacturers.

THE Subscriber begs to inform his friends and the public generally, that having at a considerable expense entered into arrangements with various Agents in Great Britain, for the purpose of furnishing intending emigrants with the best information of Private Lands, both Cleared or otherwise, that he may have to Sell or Lease, he trusts to receive that support and encouragement which the undertaking deserves, by parties possessing Lands for disposal, sending the same to him with the necessary authority, as a published monthly list will be sent to his Correspondents, by which means our Emigrating Countrymen will receive that knowledge they so much require, viz.:-How and in what manner they can invest their capital the instant they arrive here. As at present, very little is known of the true capabilities of Canada by a large majority of the British public, the Subscriber confidently hopes that correct accounts forwarded monthly, in the proper quarters, will eventually bring many to our shores who otherwise would have gone elsewhere.

VAYER'S CHERRY PECTORAL

For the Cure of

COUGHS, COLDS,
HOARSENESS, BRONCHITIS,
WHOOPING-COUGH, CROUP,
ASTHMA and CONSUMPTION.

IN offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is not our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidences of its success, from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

FROM BENJ. SILLIMAN, M. D., L. L. D., ETC.,
Professor of Chemistry, Mineralogy, &c., Yale College,
Member of the Lit. Hist. Med. Phil. and Scien. Societies of America and Europe.
"I deem the CHERRY PECTORAL an admirable composition from some of the best articles in the Materia Medica, and a very effective remedy for the class of diseases it is intended to cure."

New Haven, Ct., Nov. 1, 1849.

PROF. CLEVELAND, of Bowdoin College, Maine, writes—"I have witnessed the effects of your 'CHERRY PECTORAL,' in my own family and that of my friends, and it gives me satisfaction to state in its favor that no medicine I have ever known has proved so eminently successful in curing diseases of the throat and lungs."

HEAR THE PATIENT.

Dr. Ayer—Dear Sir:—For two years I was afflicted with a very severe cough, accompanied by spitting of blood and profuse night sweats. By the advice of my attending physician I was induced to use your CHERRY PECTORAL, and continued to do so till I considered myself cured, and ascribe the effect to your preparation.

JAMES RANDALL.

Hamden ss. Springfield, Nov. 27, 1848.

This day appeared the above named James Randall, and pronounced the above statement true in every respect.

LORENZO NORTON, Justice.

THE REMEDY THAT CURES.

Portland, Me., Jan. 10, 1847.

Dr. Ayer:—I have been long afflicted with Asthma which grew yearly worse, until last autumn, it brought on a cough which confined me in my chamber, and began to assume the alarming symptoms of consumption. I had tried the best advice and the best medicine to no purpose, until I used your CHERRY PECTORAL, which has cured me, and you may well believe me.

Gratefully yours, J. D. PHELPS.

If there is any value in the judgment of the wise, who speak from experience, here is a medicine worthy of the public confidence.

PROFESSOR A. C. BARRY'S

Tricopherous or Medicated Compound

The facts in relation to this article speak for themselves. It has been ten years before the world with a constantly increasing sale. It is used throughout the Union, as the best preparation for removing scurf, dandruff, and all diseases of scalp; and also for darkening, glossing, strengthening and promoting the growth of the hair. It is recommended by eminent medical men, to be used with gentle friction, in cases of rheumatism, swelling of the glands, tumors, eruptions and external inflammation. It is kept in the house of the farmer and in the rude hut of the frontiersman, as well as in the residences of our city merchants and mechanics, as the application for cuts, bruises, sprains, burns, and the stings and bites of insects.

For those incrustations which so frequently disfigure the heads of infants, every mother who has used it knows it to be an infallible remedy, and no adult in the habit of applying the preparation according to the directions—to the roots of the hair—ever experience the loss of that invaluable ornament. The little book which accompanies each bottle of the Tricopherous, gives a list of the medical men by whom it is recommended, and a large number of family certificates and other testimonials forwarded to Prof. Barry from all parts of the Union enumerating scores of specific instances of its wonderful effects. Lastly, it is the cheapest as well as the only reliable preparation for the hair and skin now before the public. Sold in large bottles, price 25 cents, at the Principal Office, 137 Broadway, New York. For sale by the principal Merchants Druggists throughout the United States and Canada. Beware of the counterfeits sold at one dollar per bottle. For sale by WILLIAM BAILEY Toronto Canada.
