That They Can Do Nothing More For Your Stomach  
Than Stuart's Dyspepsia Tablets Are  
Doing Every Day

## COSTS NOTHING TO TRY

**A**CCORDING to the expert analysis of government authorities in the United States and Great Britain, Stuart's Dyspepsia Tablets contain the exact elements provided by nature for digesting food in the healthy stomach.

Stuart's Dyspepsia Tablets have saved sufferers from stomach disorders millions of dollars by giving them, in one small 50 cent package, more relief than countless treatments by physicians would bring about at \$3.00 per visit.

Perhaps you are afflicted with dyspepsia—or some kindred disease arising from a disordered digestion. It may be headaches, heartburn, palpitation, liver trouble, insomnia, nervous debility. They all have their beginning in a stomach which does not secrete the juices or grind the food which is taken into it.

If so, we urge you to send for a free trial package of Stuart's Dyspepsia Tablets. It will cost you nothing and surely will bring us no gain unless you find, after using it, that you are benefited and feel that you need a full-sized package.

There is absolutely no danger in using Stuart's Dyspepsia Tablets. Nothing is contained in them that has not been subjected to the closest scrutiny by the government officials.

Stuart's Dyspepsia Tablets will digest your food without demanding a careful diet. One grain of these Tablets has power to digest 3,000 grains of ordinary food. You can be sure, therefore, that no matter what your condition, these little tablets taken after each meal will shortly restore your stomach to its normal condition and render it capable of doing its work unassisted.

We withhold the names of hundreds who have written us voluntarily expressing their gratitude to this simple substitute for nature.
