### The Most Suitable and Sound Investment For The Whole Family

**R**IGHT now thousands of families are daily depriving themselves of an endless chain of economical pleasures, comforts and benefits that could be theirs just as well as not. Get a big handsome Overland touring car into the very midst of your family, and you increase the pleasures and broaden the viewpoints of everyone in the house.

Taking everything into careful consideration, the Overland is the most practical all-year-around-family-car on the market. It is not too large, nor is it bulky or cumbersome. On the other hand, it is not small, dinky or stunted—but just the right size for the full comfort, and the complete and everlasting enjoyment of every member of your home circle.

And the price—

Other cars of similar specifications cost a great deal more. How much? That varies. But in practically every case a careful comparison will prove to you that an Overland costs a full 30% less than any other similar car made.

In view of this can you afford to pay more for some other car that does not give you as you can get in the Overland?

Remember the cost is 30% less.

Spring is here. Get your family out of doors all you can. There is an Overland dealer in your town. Look him up today. Catalogue on request. Please address Dept. 4.
