Histogenetic System of Medicine.

SCIENCE SAYS DISEASE is NOT a thing to be **KILLED** and that germs are the **RESULT**, not the **CAUSE** of Disease.

NERVOUS DEBILITY RADICALLY CURED!

If you doubt it write to John Burlangett, Mattawa, Ont. He is a **Living Miracle**, and was soundly cured a year ago. Broken down for thirty years. He will answer your letter. Write to the Association for **Free Medical Book**, 200 pages, and addresses and names of your neighbors who were dying and are now sound and happy. Always be willing to know the truth. We positively refuse to treat your case if incurable.

THE HISTOGENETIC

Is the only system containing **all cell or tissue builders** and no toxic, nauseous, weakening, purging, vomiting, strong medicines. No more need of it. This **great boon** to humanity is the climax of the life-work of **Dr. J. Eugene Jordan**, who side by side with Schleidenn, Schwann, Virchow, Koch, and others in the great centres of physiological research, has fought the **Histogenetic** battle to victory and proven that to **Rebuild** the wasted cell structures is the easiest and simplest way of **permanently curing** all diseases, acute and chronic. Some of the most exploring, brightest, most experienced and eminently qualified physicians of Germany, the United States and Canada, believing Dr. J. E. Jordan's theory of reaching and repairing the **weak and dead** tissues, or cells, have abandoned the old systems and thoroughly tested for years the **Histogenetic** remedies, which cover the whole field of **medical, surgical and obstetrical** practice, and have proven for themselves that by directing **Histogenetic remedies** at the **Cellular Tissues** that even **Consumption, Rheumatism, Nervous Debility, Paralysis, Epilepsy, Female Troubles**, and all acute and chronic diseases are cured in a marvellously short time. **Tissue Building** medicines void **torturing methods**. All patients are delighted with the system. Do not have your delicate, tender children dosed with **poisons** any longer, or suffer **painful methods**. **How can drugs which tear down, build up?** (Mention GRIP.)

All diseases successfully treated by the new system of pure and tasteless medicine. So-called incurable cases preferred.

THEORY - Rebuilding the diseased cells and tissues of the body with the same ferments, which are normally prepared in the body by the glands.
