**Ayer's Sarsaparilla,**  
FOR PURIFYING THE BLOOD.  
The reputation of this excellent medicine enjoys, is derived from its cures, many of which are daily made in the most inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous blood continuing until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.  
Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and insidious tenant of the organism undermines the constitution, and invites the attack of entangling or fatal diseases, without exciting a suspicion of its presence. Again, it seeds to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or other parts of the system, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this **SARSAPARILLA**, is a preventive of all these evils, and a great restorer of the strength and vigor of the system. Those who are **Languid and Listless, Despondent, Sleepless,** and troubled with **Nervous Affections, or Pains,** or any of the affections symptomatic of **Weakness,** will find immediate relief and convincing evidence of its restorative power upon trial.

**Ayer's Hair Vigor,**  
For restoring Gray Hair to its natural Vitality and Color.  
A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a  
**HAIR DRESSING,**  
nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
