at St. Cuthbert's of Portage-la-Prairie. It is always with pleasure and gratification that we hear of new recruits being added to that noble association. The C. M. B. A. is, in our estimation, an institution which is called upon to do an immense amount of good to our Catholic community in Canada as well as in the United States. Besides the benefit of a good life insurance policy which the members of the association derive from their membershsp, there is the moral good of a much greater value which, it is the main object of the C. M. B. A. to impart to its members by establishing between them all that brotherly feeling of mutual protection and charity so much he came to Canada from England forty needed nowadays. No wonder, therefore, that its growth should be so rapid throughout Canada. There were already in Manitoba four branches, and a total of twelve years was a member of the town-271 branches in our Canadian Grand Ship council, for some years holding the Council of the Association. St. Cuthbert's new branch No. 272 will be a value bert's new branch No. 272, will be a valuable addition to the already imposing number of the Manitoba membership of the society. Much credit is due to the Rev. Father Sinnett for his persevering energy which is now crowned with success owing to the hearty response to his appeal by the devoted members of his faithful little flock of Portage-la-Prairie. According to our District Deputy, Rev. A. A. Cherrier's report, the new branch promises to do good work. Its staff of officers, with Mr. M. McKenns, President, Mr. O'Reilly, Recording-Secretary, and the Rev. Father Sinnett as Spiritual Adviser, is one which ensures the success and rapid increase of its membership. We congratulate at the same time the Catholics of Brandon who have joined with their fellow Catholics of the Portage to form the new branch. Their enthusiasm is such that we would not be surprised if they were the means of the formation of another branch in the near future in their own parish of St. Augustine, Brandon. To both, therefore, the Catholics of Portage-la-Prairie and Brandon, do we extend our best wishes of success. God speed them in particular and the C. M. B. A. at large!

THE STORY OF AN OLD SETTLER IN DUFFERIN COUNTY.

suffered Terribly With Rheumstism, and Had to Use Mechanical Appliances' to Not Recover.

From the Economist, Shelburne, Ont.

Almost everybody in the township of Melancthon, Dufferin Co., knows Mr. Wm. August, J. P., postmaster of August ton. Mr. August is now in his 77th year, years ago, and for thirty-eight years has been a resident of Melancthon. During some thirty years of that time he has During been a postmaster, and for eleven or formation of the county. It will thus be seen that Mr. August stands high in the estimation of his neighbors.

In the winter of 1894-95 Mr. August was laid up with an unusually severe attack of rheumatism, being confined to the house and to his bed for about three months. To a reporter of the Economist Mr. August said: "I was in fact a regular cripple. Suspended from the ceiling over my bed was a rope which I would

seize with my hands, and thus change my position in bed or rise to a sitting posture. I suffered as only those racked with rheumatic pains could suffer, and owing to my advanced age my neighbors did not think it possible for me to recover. I had read much concerning Dr. Williams' Pink Pills, and at last determined to give them a trial. I commenced taking the pills about the 1st of February, 1895, taking at the outest one after each meal and increased to three at a time. Within a couple of weeks I could notice an improvement, and about the first of April I was able to be about as uspal, free from the pains, and with but very little of the stiffness left. I continued the treatment a short time longer and found myself fully restored. It is now nearly a year since I discontinued taking the Pink Pills, and I have not had any return of the trouble in that time. I have no hesitation in saying

GENTLEMEN,

I have much pleasure in testifying to the good work which you have done in this city. I know personally of several instances of men in this city who were utterly unable to free themselves from habits of intemperance by any exercise of their own will and who after going through a course of treatment at your Institute have lost all desire for alcoholic beverages of any kind.

I wish your noble Institution all success in its rational and scientific method of overcoming the evils of intemperance.
