

ANNEX "A"

RESPONSIBILITIES OF THE GOVERNMENT OF CANADA

- I Unless otherwise indicated in individual subsidiary understandings, the Government of Canada shall finance the following expenditures, based on the rates authorized in compliance with its regulations;
- (A) Expenditures related to scholarship holders from Mali:
- (1) enrolment and tuitions fees, books, supplies, or material required; research and thesis expenses;
 - (2) a living allowance;
 - (3) medical and hospital expenses;
 - (4) economy-class fares for travel by airplane or any other approved means of transportation, in compliance with the requirements of the scholarship programme.
- (B) Expenditures related to Canadian personnel:
- (1) their salaries, fees, allowances and other benefits;
 - (2) their travel expenses and those of their dependents between their normal place of residence and their place of assignment in Mali;
 - (3) the cost of hotel or other temporary accomodation, as well as meal expenses for canadian personnel and their dependents, from their arrival in Mali until their settlement in permanent accomodation, and from the time they leave their permanent accomodation until their actual departure date; in the case of Canadian personnel assigned for less than six (6) months, no permanent accomodation will likely be required and the Government of Canada shall accept to defray these expenses during the whole period of their assignment;
 - (4) their transportation expenses and the cost of hotel or other suitable temporary accomodation incurred on authorized trips during their assignment;
 - (5) the cost of shipping, between their normal place of residence and their place of assignment in Mali, their personal and household effects, those of their dependents, and specialized technical material required for the execution of their duties.
- (C) Expenses related to certain projects:
- (1) the cost of engineers', architects', and other services required for the execution of projects;
 - (2) the cost of providing merchandise, materials, matériel, equipment and other goods and transporting them to the project sites in Mali.
