

## Prosperity

7. How should Canada take advantage of its location in North America to increase prosperity while promoting our distinctive identity?
8. What should Canada do to help make the benefits of globalization more widely shared within and among all countries?
9. Should Canada focus on cultivating new economic partnerships with emerging powers such as China, India, Mexico and Brazil?

## Values and Culture

10. Are values such as human rights, democracy, respect for diversity and gender equality ones that Canada should continue to advocate in all parts of the world? If so, what are the best ways of doing this?
11. Should Canada seek out opportunities for fostering global intercultural dialogue and interfaith understanding?
12. What are the best means for Canada to make its culture and experience known abroad?
