

No. 533—*Mr. McCleave*—October 23

1. Has the federal government or any department or agency thereof made financial contributions towards the building of bridges within Canada or on the Canadian border in the past 10 years?

2. If so, in what amounts and where?

3. On what authority are such contributions made, and what, if any, is the formula to share the costs with other levels of government or non-federal bodies?

No. 534—*Mr. Caouette*—October 23—

How much has each province received in equalization payments under federal-provincial agreements since their inauguration?

No. 535—*Mr. Caouette*—October 23—

Have any surveys been made with regard to the building of an air terminal at the Rouyn air field?

No. 536—*Mr. McCleave*—October 23

1. Is the federal government or any department or agency thereof proposing to help in the building of a bridge in the Vancouver area?

2. If so, under what authority, on what formula will the contribution be based, and how much will it be?

No. 537—*Mr. Caouette*—October 23—

Are any repairs and improvements being considered for the Rouyn post office?

No. 538—*Mr. Caouette*—October 23—

1. What are, for each of the last three years, the annual deficits or profits of Crown Proprietary Corporations?

2. What was, for each of the last three years, the part of the profits remitted to the federal government in the form of dividends or equivalent payments?

3. Has the government a policy regarding profits that applies to those proprietary corporations which show a deficit and, if so, what is that policy?

No. 539—*Mr. Caouette*—October 23—

Is there a list of present members of the Company of Young Canadians who are (a) part-time (b) full-time members?
