Sir Arthur Currie  
President  
McGill University  
Montreal, P.Q.

My dear Sir Arthur,

Together with your letter of the 19th March there arrived a cheque from the Royal Trust Company for \$28.45, being my travelling expenses in attending the meeting on the 19th December last.

The letter of the Trust Company says nothing as to whether these expenses are being paid out of capital or revenue. I am, of course, perfectly agreeable to their coming out of revenue rather than out of capital. It is evident, however, that you yourself will have to do the administering of this fund, because, if the trustees were to charge their travelling expenses, there would be small revenue for the primary purposes of the bequest.

With kind regards,  
Yours sincerely,

*R. Bruce Taylor*
