Will Convince You I claim that I can cure the weak: that I can pump new life into worn-out bodies; that I can cure your pains and aches, limber up your joints and make you feel as frisky and vigorous as you ever were in your life. That's as you ever were in your life. That's claiming a great deal, but I've got a good remedy, and there are thousands who say and write that I've made good every claim; that they are now big, husky and fresh specimens of vigorous manhood, and that they haven't an ache or pain in their bodies since using my

Dr. McLaughlin's Electric Belt

It has restored health and strength to thousands of weak people. If you use it as I direct it is a positive cure and cannot fail.

It gives the vitalizing power of electricity, without burning or blistering, to every weakened part, developing full vigor and removing all the effects of dissipation forever.

I want all weak persons who are not what they I want all weak persons, who are not what they

should be, to use one of my Belts, and when they are cured to tell their friends of its wonderful effects.

My Belt is also an absolute remedy for nervous debility, backache, rheumatism, stomach, liver, kidney and bladder troubles. It is arranged for women as well as men, and cures fe-

male weaknesses. Few men are really as strong and vigorous as they ought to Hard work or worry or the hustle of modern life is overtaxing the resources of many. Dear Sir.—I purchased one of your Belts some seven months ago. I was troubled them with weak heart, and I find that the Belt has greatly benefited me. I can heartily recommend your Belt to anyone who may be troubled in this way, and believe they are even better than you got yourself. Yours truly say yourself. Yours truly,
