may in the year by The World New paper Company of Toronto, Limit M. J. Maclean, Managing Director. WORLD BUILDING, TORONTO. . 40 WEST RICHMOND STREET

HURSDAY MORNING, AUGUST 14.

### The C.P.R. and Guelph.

its height the C.P.R. wrote a letter to the mayor, which he read at one of the campaign meetings with a great sense of the indifference which the C.P.R. had for Guelph business and of the existence at all. And now the announcement is made that the C.P.R.

people, what he is willing to do for Patrick David Windsor is a man among British

joint auspices.

## Let the Board of Commerce Get ing a grave error and are not playing

The creation of the board of commerce has stirred to unwonted acti- way to preserve it. vity. Dr. R. J. McFall, cost of living commissioner at Ottawa. Dr. Mcinto fame overnight by his scarefying denunciation of the bacon barons. He reversing the fable "King Stork was succeeded by King Log."

bargo was put upon the exportation of hides and leather. A similar embargo is to go upon the export of eggs, milk and many other commodities. Beyond doubt the embargo on no official effort to fence him off from drastic interference with the currents of trade seldom works out well. Prohibiting all imports as well as exports might give us a temporary surround his position. prosperity, but we fear it would be a dangerous experiment. England for The Bitterness of the Sugar centuries had such sumptuary laws against exports and imports, but she was never able to maintain any considerable population until they were

The effect of this embargo upon the export of hides and leather should be carefully investigated. To embargo the export of cattle and meat would probably work a great injustice, al-An embargo on the export of wheat and flour is entirely out of the question. The western farmers, by the way, are insisting that the government should pay them a fixed price for their wheat, and the same price that the United States government is paying. They do not seem to be

Dr. McFall seems to have uncovered a startling conspiracy to put up federal authorities and the provincial the price of sugar. He reported a similar conspiracy the other day in respect to plumbers' supplies. He has also run foul of the activities of They are going to vote for somethe Retail Merchants' Association.

Apparently he has a lot of complaints body who knows how to get evils of this sort corrected without any Apparently he has a lot of complaints for the new board of commerce to inother element in the unrest of the vestigate. When that board does investigate it is powerless to punish. but the investigation will at least draw Public attention to many abuses. arious governments to quit passing he buck one to another. W. F. O'Connor, K.C., as a member of the board of commerce, should see that the law creating the board is amended, and teeth put in it. We must have federal enforcement of federal law.

### The Royal Visitor.

King Edward VII. set a new fashion monarchs. He was wise enough to see the trend of the times, and not only but he looked forward into the next generation and gave wise advice to his ccessor, Had Edward the Peacenaker lived to be as old as Francis seph of Austria he would still have had nearly ten years to live, and Europe might have had a different history, for Edward was guiding the great international forces towards

The task was reserved for others, and the the deluge broke loose Kins George V. slackened no whit in the effavor which the great corporation was forts which his father had set going. pestowing on Guelph to consider its In a great crisis he took the significant step of Anglicizing and democratizing his family name, and he is George thinks so well of Guelph and Guelph Windsor as a man of the people and business that the company will build George V. by act of parliament and the Hespeler line anyway without any their popular will. So a new tradition of the valuable considerations that is being established, and the gallant Mayor Carter was willing to hand over. young fellow who is shortly to visit us The Guelph city council has also is imbued with that new tradition and agreed to invite Sir Adam Beck to that wholesome spirit, and as Edward visit Guelph and tell the Guelph Albert Christian George Andrew them. Sir Adam has twice visited Guelph and told the mayor that it is for Guelph first to decide what it wants and make its wants known to the commission or the Hydro Radial Union.

Guelph must get to understand that

Patrick David Windsor is a man among men first of all and then Prince of Wales, and a man with many duties and responsibilities to the people, by whose will he shall one day ascend the Britannic throne. And that throne is not like the German or the Russian or the Russian or the Austrian or any other throne. Shall plant a maple tree at the soldiers' plot in Prospect Cemetery, this explanation and honor of the G.W. Guelph must get to understand that or the Austrian or any other throne it is not some outside power that op- that has been overthrown, nor like the erates thru the Hydro-Electric organi- Spanish, nor the Swedish nor any zation, but the municipalities them- other throne that still remains. It is selves, and that they can have anything they want that is feasible in

other throne that still remains. It is
