## Unfortunate Accident

### Mars Matinee Races

#### Rex Overreaches Himself and Suffers Serious Injury.

The going at Queen's Park yesterday was the greatest conglomeration of good, bad and indifferent sport that has been witnessed since the opening of the matinee season, a very serious accident doing much to mar the pleasure of the events.

Roleo Rex, Dr. Hughson's game little gelding, overreached himself in the second heat of the Class II. race and broke his right foreleg between the ankle and the foot. There were but two starters in the contest, the other being Belle Mac, who took the first heat in rather easy fashion. The second time away Roleo Rex broke down shortly after passing the wire, man yed to hobble on three legs for over a hundred yards before being brought to a full stop. A deep cut in the back of the injured leg just over the fetlock indicated that the horse had overreached itself with its hind foot and had pulled the front foot under far enough to cause the break which was distinctly heard in the scoring stand.

There were only enough horses out to fill up three classes, but the actions of one of the starters who insisted, after the first heat, in trotting instead of pacing delayed matters so that it was nearly 6 o'clock before the contests were completed.

Mishap. James McCartney's clever performer, broke the matinee track record of 1:06 by going the first heat of the Class A event in 1:05 1/2. The track was by no means fast, and the fact that a strong wind blew down the back stretch made the effort all the more remarkable. The previous record to wagon in a matinee race was held jointly by Skidoo and Little Joe. Mishap proved too fast for William P. in the opening race, although the latter succeeded in taking the second heat of the event when Mishap left his feet coming into the stretch.

The battle between Roleo Rex and Belle Mac in the next class promised to be a very interesting one, and both had gotten away to an excellent start in the second heat when the accident to Roleo Rex occurred.

Everybody had something of a look-in in the class three contest, although Organette was in a class higher than he was accustomed to.

Mr. Brown held Prince Patrick steady in the initial trial and his big horse had no trouble in scoring a win. Ruby K. was dangerous for a brace of heats, but then dropped back with Prince Patrick, who was seldom a contender after the first heat. Billy H. P. in the opening race, although Dr. Wood, behind Organette, let out a few notches in the stretch in the final heat and came in an easy second.

A good crowd was on hand to witness the sport.

Summary:

Class 1.

Mishap, Jas. McCartney ..... 1 2 1

## Baltimore and Newark Toronto's Jonah Teams

### Record of the Leading Clubs in the Eastern, With Games Yet To Be Played.

Toronto has the best of the argument so far with Buffalo in the race for the Eastern League pennant, and on the games to play appears to have a better chance than the Bisons. The leading teams have an even split on the series so far, but Buffalo has to play the four games remaining on the Toronto grounds, and the advantages should all be with the locals. These games will be played, Monday, Tuesday and Wednesday, Sept. 9, 10, and 11, and will probably decide the location of the pennant.

Buffalo has nine more games with Providence, and an even break or better with the Bisons. Toronto's hardest games will be in the next two series with Baltimore and Newark at Diamond Park, when eight games will be played. These teams have been the hardest for Toronto this season, the memory of Dr. Adkins and his spit ball—two

#### BREAKS TRACK RECORD

Gold Standard Sets New Mark at Alpena.

Alpena, Mich., Aug. 21—Gold Standard, a Chicago horse, driven by Castle, broke the track record today by trotting a mile in 2:17. The former record was 2:20 1/2. He was paced by William Mac, who failed to get anything better than second money. The talent was also hard hit in the 2:17 trot, when the favorite, Emma Mack, won third, with Abdell, a second choice, fourth. The Liar won the 2:10 pace in straight heats from L. Williams.

The chief event tomorrow is the free-for-all pace. Among the starters are Robert Lee, 2:06 1/2; William C. 2:06 1/2; William Mac, Alpha W. 2:10 1/2; Castinada, 2:09 1/2.

#### WITH THE MATINEE SPEEDERS.

Dr. Hughson, who has an extensive practice in Buffalo, bought Roleo Rex last winter in Buffalo for \$500. In the opening matinee races here Roleo Rex took a first prize in the Class II. race and has since taken one or two first and a number of seconds.

Mr. McCormick, who was driving the animal when the accident took place, feels very much cut up over the affair, but he could not be held to blame in any way for the mishap.

John K. Mr. Geo. McCormick's fast horse, has been sold to Ald. Samuel McBride, of Toronto, for the sum of \$1,000. Johnny proved too fast for the local matinee horses some time ago, and Mr. McCormick, like a true sportsman, withdrew him. However, Mr. McCormick's horse would have had a difficult task had he tackled Mishap yesterday.

Johnny K. had no mark and was started yesterday in the 2:30 class at Toronto. The fastest time Johnny ever made in a race to wagon at Queen's Park was 1:08 for the half-mile.

So far as can be learned the fastest half-mile ever traveled by a matinee horse to wagon on the Queen's Park track was made by Little Joe, who made the distance in 1:05 1/2 in the second heat of the gentlemen's road race at the fair two years ago. The event, of course wasn't a matinee race, but the entries were all matinee horses. The result of the race as taken from the Advertiser file of Sept. 14, 1905, was as follows:

Little Joe, Dr. Routledge ..... 1 1 1  
Joe Leiter, N. McLeod ..... 2 2 2  
Clippert, Dr. F. Wood ..... 3 4 3  
Johnnie K. Geo. McCormick ..... 4 3 4  
Time, 1:06, 1:05 1/2, 1:05 1/2.

Mr. Dick Wood is said to have his eye on a fast horse which just meets his fancy and his price.

There will be but two more matinees this season. A large field is looked for next Wednesday. Many of the local horsemen are at present out of the city on business or on their holidays and the sport has suffered considerably in their absence, inasmuch as small fields do not hold the attention that large ones do.

## TIGERS LOSE OVERTIME GAME

### Lead by Four Runs Until Eighth, When Boston Ties Score.

Detroit, Aug. 21.—After holding the Beaneaters to three scattered hits for seven hard fought innings, in which the Tigers had gained a lead of four runs, Eddie Killian saw old Deacon Jim McGuire clan come up in the eighth with two out and land five straight hits, scoring four runs and tying the tallies.

Pruitt had been pitching for Boston, but as soon as the score was tied McGuire jerked him out and put in Glaze long enough to let Old Cy Young warm up. Cy held the Tigers through to the twelfth inning without being scored upon. A single, a passed ball, an error and another single scored the winning run for the Beaneaters of Boston in the twelfth.

Chicago's victory puts Detroit in third place, four points from the leaders.

Barring that one inning, Ed. Killian never pitched better ball. It is a question whether they would have scored on him in the twelfth if it had not been for the passed ball and the error. The game was peculiar in that both Detroit catchers, Schmidt and Payne, were forced to retire from the contest owing to injured fingers received from Boston bats, but Payne suffered a broken finger that will probably keep him out of the game for the rest of the season.

All the Detroit's scoring came in the third and fourth innings. Killian figured in both of them. In the third Eddie opened the way with a triple to right. Jones walked and Coughlin's single scored Killian. Crawford sacrificed and Cobb's single scored Jones and Coughlin.

The other end of the battery, Schmidt, opened the way in the fourth with still another triple. Charley had just been rapped hard on the finger by Ferris' bat as he struck out in the third, and he was mad when he stepped to the plate. He sent the ball to left for three bases and scored on Killian's single to center.

Eight comes as Thunderbolt.

With Killian pitching perfect ball in the eighth inning, the eighth came like a clap of thunder out of a clear sky. The crowd in the stands was confident of another shutout.

This seemed more certain when McGuire sent Parent to bat for Criger and the latter was an easy out. The fans began to break for the cars after Jim himself went to bat for Pruitt and was thrown out by O'Leary. Jimmy Barrett started the sadness. Barrett singled to center. Sullivan singled, and then Congalton got a scratch hit to short.

The bases got a full and things began to look serious. Englund rapped a single to left and Barrett and Sullivan scored. Ferris doubled in the same direction and the score was even.

After that Killian was as strong as ever, while Young was at his best. The finish came in that twelfth, when Cy Young singled to left and made second on a passed ball. Barrett filed. Sullivan lined out straight at Downs and there was a good chance for a double play, but the ball shot through Jerry's fingers and rolled to the outfield. Young made third and scored on Congalton's single.

It will be Donovan against Glaze or Tannehill this afternoon in the final contest. Boston returns Sunday from Cleveland to play that postponed game.

BOBBY HAGUE.

Hague is one of the best Rugby players for his weight that ever appeared upon a local gridiron, and his work has created favorable comment wherever he has played. Bobby first began playing the game at Ridley College several years ago. Later he was a member of the London Junior O. R. F. U. team, and last year he captained and played quarter-back on the local intermediate eleven, which was grouped with Dundas and Hamilton.

#### LONDONERS WIN

### BY 100 SHOTS

The London Rowing Club entertained four rivals from St. Marys and two rivals from Motherwell yesterday afternoon at the club grounds, and a very pleasant afternoon's sport was enjoyed. The London rinks won by over a hundred shots; the St. Marys boys being out of form owing to the fact that their greens are not in playing condition. They took their defeat with good grace, and will come again. Most of the London rinks won easily, but Skip J. Brown, of Motherwell, made 1 skip. Pritchard hustled every minute to win. Dr. Jeff Wood and Skip Max- well had an interesting game also.
