that it does.

Visitors to Toronto have often co mented upon the beautiful lines of grey horses lined up before the Simpson Co's ing, orcharding, gardening, poultry-rais-ing, etc. The people engaged on the firms and in handing farm products forms and in handing farm products comprise a large percentage of the

comprise a large percentage of the it a point to use grey horses on all their population. They handle enormous delivery wagons, and the markets of sums of money annually, they consti-tute largely the buying constituency of other points are closely watched for manufacturers, many of the big dark grey. Only two teams of bays are city industries and mercantile esta- kept in the stables and these are used blishments, and yet in all Canada so for special delivery work in North far as our observation extends The

There is no general classification of wagon horses that would enable one to properly place these animals. By many they are called by that very elastic term, expressers. But expressers in the ing to the individual needs. topics and interests. The frequent wants a horse about 1400 bs; built alabsence of the agricultural department most typically Percheron. Pitts arg in The World of late has also been notand weighing about 1450 pounds. The ed by its country readers with sincera New York type more closely approaches the Simpson demands. He must be coach-like in appearance, handsome, and weigh under 1400 pounds. The ma-Few breeders have brought out from jority of the greys weigh from 1100 to 1250 pounds and no particular breed is scotland such a uniformly good string required to produce this. Percheron of Clyde filles as are to be seen at blood may be present in many of them

Maher's Horse Exchange. Isaac Williamson has handled horses all his life. Bern on the Scotch heather, he feels at home among the handsome Clydes. At home among the handsome Clydes, at home among the handsome singles that handle this popular firm's goods. In buying horses, Mr. Delaney, the handsome singles that handle this popular firm's goods. In buying horses, Mr. Delaney, the manager of this department, looks for those from four to six years old, thoroplaces them away ahead of the ordinary importations. They are all good. Many would be first prize winners at our shows. No stable in Ontario would be ashamed of any one. The World be ashamed of any one. The World has seen them and the seen them and to be safe in foal.

Here is what The Scottish Farmer has to say:

The number of horses in commission to the seen them and the seen them and at present are undergoing extensive repairs.

The number of horses in commission Maher's Horse Exchange. Isaac Williamson has handled horses all his life. Bern on the Scotch heather, he feels at home among the handsome Clydes at home among the handsome clydes.

Prince of Carruchan, Sir Everard (353), King of the Roses (9927), Sir steady work at a time. Very little trouble is experienced on Morell Mackenzie (9416), and the Bailindalloch Club horses McIlroy (9795) and Argus (10492). The consignment is above the average, and Mr. William is above the average, and Mr. William has good feet. Rubber shoes are used all winter. In summer a few of the horses are rested by being sent to pas-H. Stone sells at his farm on Scugos Island, next Tuesday, a good lot of Island, next Tuesday, a good

bors are looking after are a good drawing card. The young stock are thrifty, and as the roads are good, buyers may make good money by a day's drive into the heart of Scugog. A team of good light mares, sound and right, are for sale also. They will be found of the right stamp for general work.

The sheep are good grade ewes that all raised lambs this year. An easy feeding sow with pigs by her side will be worth looking after. The farmers many get seed grain here also, as the farm is a clean one. The implements are all good, a new M.-H. drill, F. & W. rake, and a wagon are attractions. A range and some other household goods will be sold.

The place is six miles northeast from Port Perry, where they keep good things.

Iake front with a radius of 16 Introduction of the product of the handsome greys and the poiltan Toronto, the handsome greys mark the feature of either market for the past week was the large increase in sheep at the Union Yards. Which bids fair to become the export market for the past week was the large increase in sheep at the Union Yards. Which bids fair to become the export market for the past week was the large increase in sheep at the Union Yards. Which bids fair to become the export market for the past week on the form white," responded Mr. Delaney, who might appropriately be styled "Gentleman Dick of the Greys."

Grey horses gradually grow flighter in Grey horses gradually grow fli on the soil. No lover of the noble-horse can go thru this stable, handle

Hugh Greenlees, a well-known farmers' institute speaker, is selling out his entire farm stock and implements at his farm near Bowmanville, on Friday, October 15. The imported stallion Lucky Ronald, has proven himself a sire of the right kind and several of his get may be seen there. There are two promising young stallions about ready for work. The resonates will be found to be the rent-paying kind. There are 10 miloh cows and a valuable line of farm implements. The terms are long and the farm easily reached from Bowmanville station.

Don't miss it.

stores like Aitmman's. New York, and others who have tried to do away with horses, have had to return to them as the motor car as yet could not do the work. Canadian winters are against the motors and it will be a low day. Hewson Thompson, Claremont, had a good sale last Saturday. Despite bad weather, bidding was good. Horses and cattle sold high, while young cattle soared. Horses were better than for the motors and it will be a long day

soared. Horses were better than for years at auction sales. The implements Auctioneer W. B. Powe'l of Pickerwere good and sold away up. Auction-cer Thos. Poucher is still in the field ing sells the cattle, horses and implements belonging to Mrs. R. Pollard of Pickering on Tuesday, Oct. 12. and received congratulations on his good work. A spring foal with only There are some good things.

\$3.50 Recipe Cures Weak Men---Free

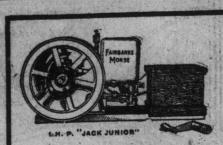

Send Name and Address To-day-You Can Have it Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, falling memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope, to any man who will write me for it.

This prescription comes from a physical properties of the market:

This prescription comes from a physical properties of the market closed highest and the manhood and vigor failure ever put together.

I think I owe it to my fellow men to send them a copy in confidence, so that sany man, anywhere, who is weak and discouraged with repeated failures may stop drugging himself with harmful patent medicines, secure what I be lieve is the quickest-acting restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop mer a line like this. Dr. A. E. Robinson, 3333 Luck Building, Detroit, Mich. and I will send you a copy of this splendid recipe in a plain, ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.

Every Farmer needs a gasoline engine to replace the windmill for general purposes.

Our "Jack Junior" will. furnish abundance of power to. pump water, run a separator, grindstone, corn sheller, etc., and

can be moved from place to place.

PRICE-\$75.00, complete ready to run. Write for catalogto-day. Live agents wanted everywhere. 70,000 Fairbanks-Morse Engines in daily use.
