A PAGE OF REASONS FOR EARLY SIMPSON SHOPPING

Simpson-isms

We have every telephone facility—50 lines to central, branch lines to every department.

Perhaps you don't always fancy the trip down-town. Use your telephone and shop from the comfort and coolness of your home. Main 7841.

WE INSISTED ON FRESH AIR.

The weather man said, "To-morrow will be hot and humid." We said, "So far as this store is concerned, to-morrow shall be fresh and cool." And, by the aid of a great revolving fan and a curtain of cold water, the store is cool—coolest refuge from the hot street you could wish for.

ICE CREAM AND SODA BEVERAGES.

We boast the largest soda fountain in Toronto—in the Basement. Best of ice cream always ready, together with the newest and best cream and soda confections.

In the Lunch Room also we serve ice cream and soda drinks; and here, too, one is served sparkling cold Lake Ontario water, without suspicion of impurities. Our water is filtered by the wonderful Jarvis filter, and we can guarantee it.

VISITORS TO THE CITY

are assured of a welcome to all the store's public comforts and conveniences. We have a check room for wraps and parcels on the main floor, James street; a post office, a telegraph office, public telephones also on that floor; and a commodious ladies' waiting room, with writing tables and other conveniences, second floor.

Nicest and largest Lunch Room in the city—sixth floor.

The store opens at 8 a.m. Closes at 5.30 p.m.

On Saturdays during July and August the store is closed at 1 p.m.

WE advocate early shopping every day as long as it does not put our customers to actual inconvenience. But on Bargain Day we go further—we say "Shop early, even though it does cause a little inconvenience. The satisfaction is worth it. At eight o'clock these July mornings are delightful. The store is fresh, cool, bright—shining like a new pin. The bargain assortments are complete—nobody has had an opportunity to forestall you. Every advantage is yours, including alert untired salespeople and the energy of a new day. You may pick and choose, select, purchase and be away home again before your less enterprising neighbors have started down town.

There is nothing like early shopping, especially on such glorious summer mornings as these. Read the Bargain Page to-night with your mind made up to shopping early to-morrow, remembering that Saturday is but a half day as we close at 1 p.m.
