Our Famous \$9.75 Suit to Order the Greatest Value in Canada.

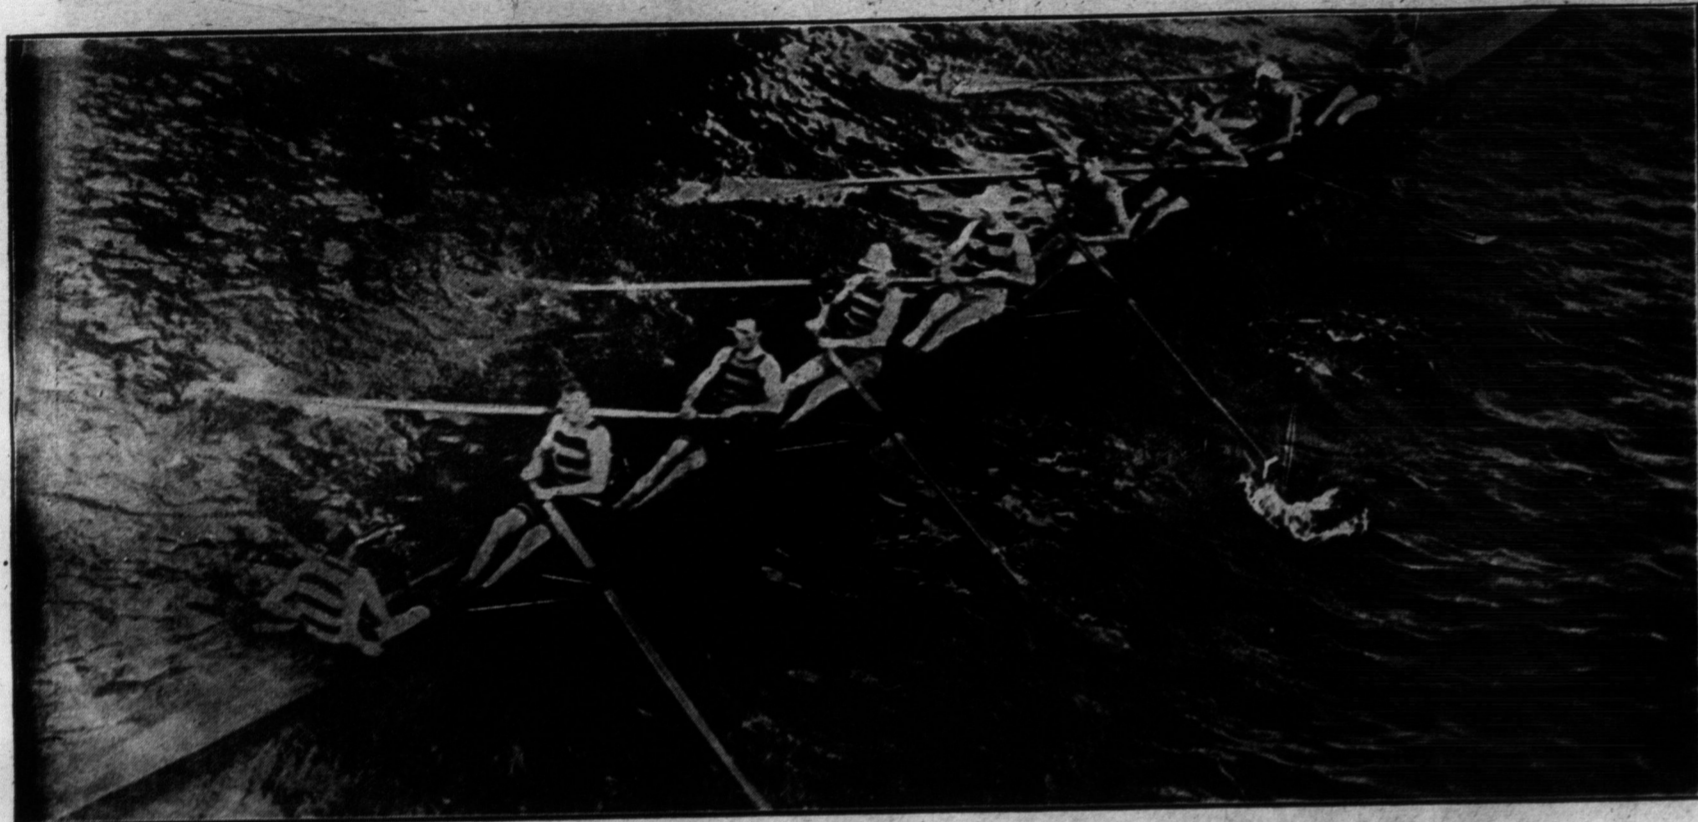

WE WERE the first tailors in Canada to make a suit to measure for \$9.75. That was twenty-five years ago. This suit has been one of the hobbies of the house. We have specialized on it, and improved on it, until to-day we feel safe in saying that it is the equal of many of the \$18 and \$20 suits turned out by other tailors.

If You Need a Suit, Look at the Splendid Materials We Show for \$9.75 to Order.

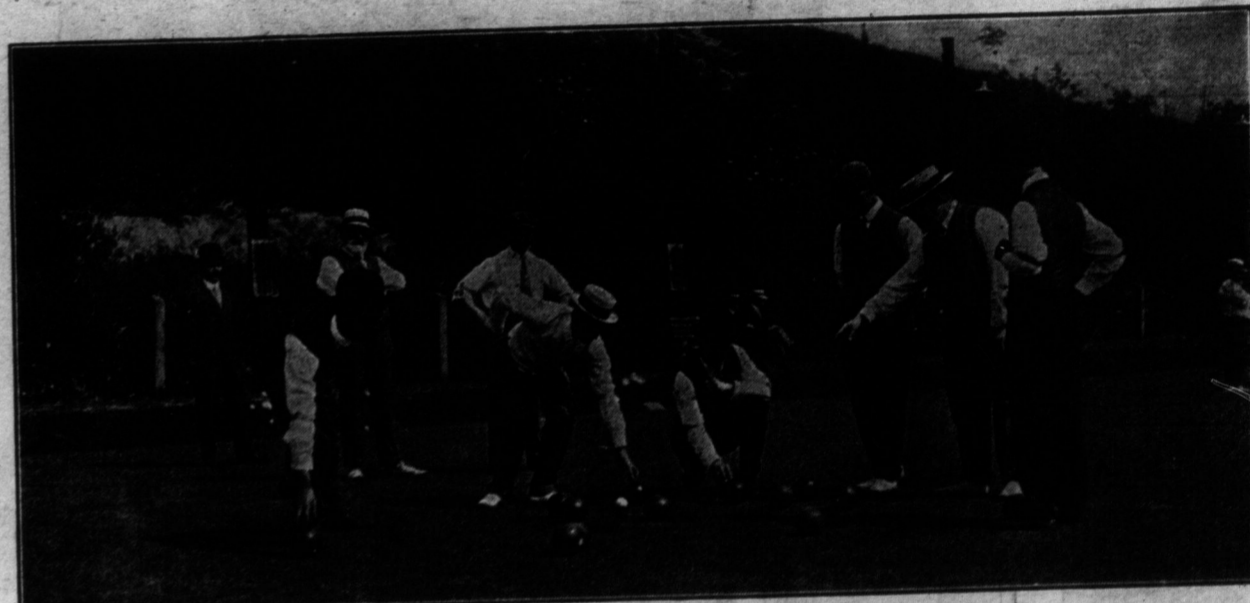

We want you to tell us if you ever saw such wonderful value before. See the new English and French worsteds and Genuine Scotch Cheviots and Tweeds. We give you your choice of a big range. Suit made in English or American style, for only \$9.75. Try one.
