CAMPAIGN IN ONTARIO ENDING

Conservative Candidate Re- pudiates Ferguson's Plan

TORONTO, Ont., Nov. 26.—The general election campaign in Ontario is its final stages with only two days to go, before the ballots begin to drop on Wednesday. Premier Ferguson took a rest from his campaign labors yesterday, having announced that "politics" would be banned on the Sabbath, but the prohibition forces kept up the battle with monster rallies in Toronto, St. Thomas and other points.

FINAL ARRANGEMENTS

All the party leaders have arranged programmes which call for two meetings each today and two meetings on the final day of the campaign. Premier Ferguson will close the speaking warfare in his home town of Kemptville Tuesday night, and will immediately return to Toronto where he will hear the election returns on Wednesday. W. E. Rance, Progressive leader, has been campaigning in his own constituency, Prince Edward, for the past few days and will probably remain there for the remainder of the campaign.

One of the interesting features of the contest developed over the week-end, was the announcement from John J. Coyne, the Conservative candidate in North Huron, that he would not support the Ferguson policy of government control. Mr. Coyne is opposed by a Liberal-Prohibitionist.

Funerals

Mrs. Margaret Rogers.

The funeral of Mrs. Margaret Rogers took place this morning from the Mater Misericordiae Home. Requiem mass was sung at St. Peter's church by Rev. F. T. Mullins, C.S.B. and interment was made in the new Catholic cemetery. Prayers at the grave were read by Rev. C. J. Carroll. Many spiritual and floral offerings were received.

Mrs. A. Stonehouse.

The funeral of Mrs. A. Stonehouse was held from her late residence, 212 Lancaster avenue, this afternoon. Services were conducted by Rev. W. McN. Matthews, and interment took place at Fern Hill. Floral offerings were numerous and beautiful. The funeral was attended by many friends and relatives.

Makes Inspection of Local Gas Plant

W. S. Dole, gas engineer of the Federal Light and Traction Company, New York, who is in the city making an inspection of the gas plant of the New Brunswick Power Company, said today that the local plant was O.K., but that more money could be spent on it in spite of the fact that a considerable amount has been expended in the past.

Mr. Dole will leave Saint John during the latter part of the week to return to New York.

WELCOMED AGAIN.

In city churches yesterday the return of many familiar faces coincident with the opening of the winter season at this port was very welcome and the transportation men and sailors received hearty greetings. Each succeeding winter season emphasizes more clearly a clergyman said, this additional phase of Saint John's calendar year, the influx of many people in connection with the overseas traffic, a community of interest with which Saint John people have now become well and happily acquainted.

ADDITIONAL CHARGE

Ted Powers, who was before the court this morning on the charge of ill-treating a horse and not properly feeding it was brought in again this afternoon on an additional charge of stealing \$18 from the Standard Coal Co. laid against him. He was remanded.

RETURNS TO BUFFALO.

FREDERICTON, N. B., Nov. 29.—Weldon Carter, son of Dr. and Mrs. W. S. Carter, of this city, who has been visiting his parents here for some days, will leave this evening for Buffalo, New York, where he is located as a bond salesman for J. G. White & Co., Inc., Wall street, New York.

FINED \$200.

M. Harding was fined \$200 this afternoon on the charge of having over-strength beer in his shop, Main street.

ROUMANIAN DEVELOPMENTS ARE WATCHED

AFTER 54 YEARS

DOUGLAS, Kan.—Charles Lamb of Alton, near here, cut and stacked some wheat for Charles Keogh, of this city, in 1872. Lamb claimed he had

BETTER
NOTHING!

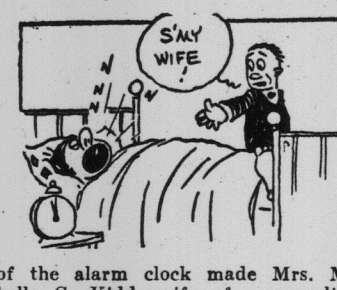

\$75 coming for his services. Keogh held that \$40 covered the labor. They took the case to court and the jury decided Keogh owed Lamb nothing. The other day, Keogh, in ill health, wanted to "clean up his slate." He mailed Lamb \$40, the original amount Keogh held was due Lamb. Lamb accepted the money. "But I still insist he owed me \$75 and not \$40," he avers.

BR-R-R-R!

SAN FRANCISCO—Those who already long for the return of the balmy summer days will get a kick out of the announcement of Miss Mary Green local long distance swimming star, that she proposes to attempt to swim the English channel next summer. The success of Gertrude Ederle and Mrs. Carson hasn't taken the edge off the feat yet, she avers. She is the only woman ever to swim from San Francisco to Alcatraz Island, around the island and back to the Frisco shore.

WEIGHTY MATTER.

NEW YORK—Referee Whitaker will decide whether constant pinning for affection from her husband or her inability to heed the clarion call

of the alarm clock made Mrs. Mabelle C. Kidd, wife of a consulting engineer, stout.

Suing for separation from her husband, Mrs. Kidd said that when she appealed to him to put his arm around her he would leave the room. Because of this she had been in digestion, auto-intoxication, shortness of breath, anaemia and exhaustion. Kidd, answering her suit, said she had slept until noon daily for many years and "in very fond of sweets and starchy foods."

SEASON FOR GAME CLOSES TOMORROW

Best Spread of Moose Horns
Reported So Far This Year
Was 59 Inches

Special to The Times-Star

FREDERICTON, Nov. 29.—The game season in New Brunswick will close Tuesday evening, November 30. The season has been as good as the average in the number of deer and moose killed and there also has been an average number of non-resident sportsmen in the province. It will be some time before the details of the season will be reported and checked up by the chief game warden.

The best spread of moose horns reported so far to the chief game warden was 59 inches, not as large as some secured in the past few seasons. Two fatalities marked the hunting season, a number lower than in some other seasons.

FOUR VACANCIES

2 Senate Seats Empty Through
Deaths Over Week-End

OTTAWA, Nov. 29.—Two Senatorial vacancies occurred over the week-end through the deaths of Senator George McHugh, Lindsay and Senator Richard Blain, Brudenell. The two senators were representatives of Ontario in the upper chamber. The late Senator Blain was a liberal while Senator Blain was a conservative. Four vacancies now exist in the Red Chamber. The other two are for the Province of Quebec, brought about by the deaths this year of Senators M. L. David and Alfred Thibodeau.

O'Leary Silent On Return To Britain

LONDON, Nov. 29.—Interviewed aboard the Ascania at Plymouth, Michael O'Leary, V.C., who left Canada to return to England because he could not secure satisfactory employment, complained that he was getting too much publicity from the newspapers. He said he was going to live in Colchester, and wanted to settle down to a peaceful life. "After all, you know, I have an interest in the old Union Jack and I refused some big jobs in the states," O'Leary said. He gave an address at an address at a concert aboard the Ascania on his war experiences, but declined.

Deceased was born near Guelph, Ont. Graduated B. A. at McGill University, and taught school in Glenora, Ont., and in Nova Scotia. COAL STRIKE END LIKELY THIS WEEK

Settlement at "Pistol's Point"
Not Satisfactory, Say Mine
Leaders

BY HERBERT BAILEY
British United Press.

LONDON, Nov. 29.—The end of the coal stoppage is expected to be reached this week. District settlements are being signed everywhere except in Durham, South Wales and Scotland, but Scotland has decided on an agreement for the next 3 years and Durham and South Wales are voting on the question of local settlement. While the owners are very optimistic that the district agreements will be kept the miners leaders are asserting that agreements made at "the point of a pistol" are not binding so long as the pistol remains and will be revised when the miners' strength returns.

SHANGHAI NEXT.

SHANGHAI, Nov. 29.—The first manifestation of a contemplated advance by the Cantonese toward Shanghai, the last real stronghold of Marshal Sun Chuan-fang, eastern ruler, was felt here today when the Roman Government has been striving to effect closer relationship with Italy. Chamber of Commerce of Shanghai received threatening letters demanding that a strike be called here. These follow threats of a general strike at Hankow, which has been seized by labor unions.

LOGGING SEASON WELL UNDER WAY

Absence of Deep Snow in
Woods Felt to Be Boon to
Companies

Special to The Times-Star

FREDERICTON, N. B., Nov. 29.—The present logging season has been favorable in New Brunswick so far, although weather cold enough to freeze the swamps solidly would be appreciated. Absence of deep snow is a great advantage and it is hoped that the snow will stay off until after Christmas, as it will not be needed for hauling until after that time. The usual exodus of logging crews from the woods will take place about the middle of the month, the men going in again early in January.

There is now about six inches of snow in the north of the province, but little or none elsewhere. Fourteen inches fell on the head of the Southwest Miramichi, but soon washed away. There is no prospect of the Saint John River being closed by ice at Fredericton at an early date. The current is still strong and water high. Shell ice is running today.

Three By-Elections On In England Now

LONDON, Nov. 29.—Three by-elections of more than ordinary interest, are in progress just now, in Central Hull, Chelmsford and Southwick. In the latter two, Mr. J. M. Kenworthy, who had been Liberal M.P. for Central Hull in 1919, but recently deserted the Liberal party for the Labor party, is now offering himself for a seat in the Central Hull election. There is probably some foundation for the assertion that he was elected in 1924, when he had a majority of 2,380 in a three-cornered contest, largely through labor influence.

The Central Hull by-election so far has been characterized by a good deal of rowdiness. Both Lt. Col. C. J. Kerr, Liberal candidate and Commander L. E. Gaunt, the Conservative nominee, have been subjected to persistent organized opposition.
