CONSIDER CHANGES IN HARBOR ACT

Steps for re-drafting the harbor commission act of 1919 were taken at the Board of Trade rooms last evening by the committee appointed for that purpose, consisting of Mayor Schofield, Commissioner Bullock, D. W. LeDingham, A. F. Blake, A. P. Paterson, R. H. Cushing, F. S. A. McMillin, F. A. Campbell, H. C. Schofield, R. E. Armstrong, F. A. Dykeman, and Dr. Murray MacLaren, M. P.

How a Fat Actress Was Made Slim

Many stage people now depend entirely upon Marmola Prescription Tablets for reducing and controlling fat. One clever actress tells that she reduced steadily and easily by using this new form of the famous Marmola Prescription, and now, by taking Marmola Tablets several times a year, keeps her weight just right. All good druggists sell Marmola Prescription Tablets at one dollar for a case, or if you prefer you can secure them direct from the Marmola Co., 4612 Woodward Ave., Detroit, Mich. If you have not tried them do so. They are harmless and effective.

THE BRIGGS CASE.
The preliminary hearing of the case against Hugh Briggs, charged with receiving stolen goods, knowing them to be stolen, was resumed yesterday afternoon in the police court. Captain William J. McGiffen identified a piece of sackcloth at which was on a bale of cloth at No. 4 dock, and the Empress of France was at No. 2 and 8. H. V. Melins, C. P. R. constable, told of finding the wrapper on the wharf. William Murphy, head checker for the C. P. R., produced a bill of lading for a bale of cloth landed from the Empress of France bearing the same marking as the wrapper in court. William S. McKinnon, C. P. R. investigator in Montreal, told of searching the apartment of Mrs. H. Briggs, Montreal, and finding there three pieces of cloth produced in court. He said he found five letters there from Hugh Briggs of St. John, and that she told him she had received the goods from him. Investigator H. Hull, also of Montreal, corroborated this evidence. C. P. R. Constable Ritten corroborated the evidence given by Constable Costello last week about finding a piece of cloth in the room of the defendants. The case was postponed for a week. H. H. McLean, Jr., appeared for the railway, and E. J. Henchery for the defence.

QUEBEC HELPS CLASSICAL EDUCATION

The nineteen Catholic classical colleges, and \$400,000 to the four Protestant colleges. The grant to the latter will be administered by the Protestant committee of public instruction. The bill was given third reading.

TEACHERS' PENSIONS.
Dr. W. S. Carter, chief superintendent education, arrived in the city yesterday from Moncton. He said that amendments to the teachers' pension act are expected to be presented at the next meeting of the provincial legislature and would change the maximum to \$800 a year instead of \$400, and the minimum to \$200. This plan is not expected to cost the government any more until 1940 on account of the teachers' contributions.

OVER THE WIRES

Two men and a woman plotted the murder of William Desmond Taylor, according to a statement of Harry M. Fields, now under arrest at Detroit. Fields said that he received \$800 for driving the plotters to Taylor's house on the night of the murder, and afterwards drove them away to a hop joint.

Seven men, including two from Newfoundland and one from New Brunswick, lost their lives when the fishing schooner Caldwell H. Colt was wrecked on a reef near Dry Tortugas during the sale of February 15. Only two men of the crew were saved. The New Brunswick man was William Pudge, who was said to be a native of Miramichi.

The United States coast guard cutter Ossipee last night was pursuing an unidentified auxiliary schooner believed to be liquor laden. The chase was a sequel to a daring attempt to land whiskey and gin valued at \$70,000 along the Massachusetts coast. Five seamen from the boat attempted to get away, but were taken back by the cutter.

From the motor boat the officers took 1,300 packages of whiskey, ten cases of gin and two cases of beer. Captain George Harvey, the mate and cook of the schooner J. M. Rafuse, were drowned off the Newfoundland coast on Monday evening while they were being taken off the sinking vessel by the steamer Terrier. The chief officer of the Terrier was also drowned. The Rafuse left Cadiz on January 14 with a cargo of salt and met the full force of the Atlantic gales. Six men of the crew were taken off safely.
