Big League Plans. The Yankees will go to Florida next spring. They will not go south as Daytona or Miami but will at some resort in the northern part of the state.

While the Giants have not yet announced that they will not go to Texas, it is pretty certain that Marlin will be passed up next spring. It would not be surprising to see the Yankees in Florida.

Manager McGraw is confident that Robertson will return to the Yankees in next spring, and with this hard back in the fold, the batting 10th of the club will be greatly enhanced.

When the major leagues hold their meeting in New York on Jan. 15, the executive of the National Association will lead the opposition to the regular season opening in April. Comiskey is planning to the White Sox to Panama in 1920 training trip.

He latest candidate for president of the International League is Bill Clynnes, owner of the Louisville club of the same Association last season.

Dr. Cactus Cravath, veteran slugger of the National League in home last season, is reported to have been sold by the Phillies to the Minnesota club of the American Association.

Jan. 3.—Notary J. E. Plamondon of this city, was today brought before the police court on a charge of theft. Daniel Kew, of this city, had him stood on a charge of retaining \$2,000 of a \$10,000 transaction in this city. Plamondon pleaded guilty, saying he was a victim of the hard times. The notary was bailed out for a few days.

Plamondon was prominent for the part he always took in the alcoholic struggle, fighting vice in all its forms. He also started, at times, a sensational campaign against Jews in Quebec.
