ROYAL YEAST
Has been Canada's favorite yeast for over a quarter of a century. Bread baked with Royal Yeast will keep fresh and moist longer than that made with any other, so that a full week's supply can easily be made at one baking, and the last loaf will be just as good as the first.

MORNING NEWS OVER THE WIRES
The crew of the Lucille Schuare of Lunenburg has landed after being fired on by the raider "Triumph" and forced to take to their boats.
Intimate friends of Hon. Dr. Beland say that he has for the present at least no intention of actively re-entering political life.

Don't Spoil Your Hair By Washing It
When you wash your hair, be careful what you use. Don't use prepared shampoos or anything else that contains too much alkali, for this is very injurious, as it dries the scalp and makes the hair brittle.
The best thing to use is just plain mulished coconut oil, for this is pure and entirely creaseless. It's very cheap, and beats anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.
Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

A Single Application Will Banish Objectionable Hairs
(Aids to Beauty.)
Here is a home treatment for removing hairs that is quick, painless and inexpensive. With some powdered dextrose and water make enough paste to thickly cover the objectionable hairs, apply and after 2 or 3 minutes rub off, wash the skin and it will be left soft, clear and hairless. This treatment will not mar the skin, but to avoid disappointment, be careful to get real dextrose.
