wrong vial, and we believe it was about half an hour before the mistake was discovered. The services of two skilful physicians with the prompt appliance of a stomach pump saved her lite, and we are glad to learn she is at present out of danger.—Fredericton

Reporter.

We know of no Pills that work on the system so well as Dr. Wilson's Family Anti-Bilious Pills. They do not gripe or weaken in their action, and are the best pulls we ever used. For the cure of all disorders of the stomach and bowels, liver complaint, biliousness, sick-headache, loss of appetite, restless nights, debility, and general weakness there is no equal to these. Reporter.

and ruin from Ottawa. They have resolved to oppose Mr. Laurier in any constituency he may choose. The public sentiment of the public sentiment of the country says

more power to their elbow.' Mr. Laurier, it is said, declines to try Quebec centre. His poor health recludes his entering on another exiting contest. They are all getting ick—all the ablest of them, at any citing contest. They are all getting rate. Mr. Blake's sick, and now Mr. them all.—Halifax Reporter.

The Invigorating, Fattening, and nurtitive properties of Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-phosphate of Lime are such as would indicate its sufficiency to sustain the body in the performance of its various functions, with the aid of but little solid food. Hence its superior remedial worth in the "Wasting Away" in those of Consumptive tendency—in Consumption itself, as well as in general debility and all cases of Prostration and Emaciation.

We are showing some very pretty shades in all these colors in Dress Materials of every texture. the same are hereby sanctioned and adopted

W. A. HIMSWORTH, Clerk Privy Council BEGULATIONS governing the drawback of duty paid on drawn tubes and piping of brass, copper or iron, in case the same shall have been actually used in the manu-facture of boilers; under authority of 40 Vic. cap. 11, sec. 5.

The importer claiming drawback under the above quoted Act, shall, in order to entitle himself thereto, deliver to the Collector of Customs at the Port where entry was made and duty paid on such drawn tubes or piping, a declaration in the form No. 1, following; which said declaration shall be subscribed to under oath.

In case the importer is not at the same time the manufacturer of the boilers and cannot therefore from personal knowledge affirm as to the actual use made of such drawn tubes or piping, he shall in place of the form No. 1, make use of the form No. 2, and the manufacturer of the boilers in the construction of which such duty paid drawn tubes or piping was actually made use of, shall attach to said declaration No. 2, and subscribe and make outh to a declaration. ubscribe and make oath to a declaration in

the form No. 3 hereto appended. The Collector of Customs at the Port where such entry was made shall thereupon ex-amine the entry and the invoice of such drawn tubes or piping, and shall certify in the form No. 4, whether the declaration so produced covers the whole or part of such entered drawn tubes or piping, and whether it corresponds with the value as per invoice and with the amount of duty paid as per said entry.
