nonchalcace is manner and words by which a beautiful woman of the world can make a man feel that his atten-tions or admirations are at the least

unappreciated.
"Thanks, I am very well; but the bitter cold that set in in January rather tried me, and my child, too, and in February we fled to the sun and warmth for a time."

He turned loward her.

"I really only glanced at the paper, dear Lady Wyndham, but I think it was twenty-one years. At any rate I remember one of the fellows at the dub remark that the sentence was the saverest the law gives to bigamy."

"And that's too good for him," addite Fred, as there was a general move of departure. Then, bending down to Lenore, whispered "Don't you go, yet Arline wants to have you to herself abit."

"She is too kinsi," she sailed, mere society acquaintance had lately been society acquaintance had lat
