NOTICE

1. Files should be retained no longer than specified intervals. If a file is frequently needed at short intervals, it is better to H.F. it for two or three days than keep it out of Central Registry indefinitely. This applies to being completed and kept in order, and also gives other offices an opportunity to see them.
2. Central Registry should be retained wherever a C.F. record must be available.
3. All outgoing letters should bear the office file number.
