\$2,800 was put through yesterday the parties interested being local people. The property in question consists of one hundred and sixty acres of land between Liverpool and Bon Accord,

There is no waterfrontage on the property.

A representative of Seattle capitalists has been in the city for the past few days looking over sites for a proposed industry, details of which he decilnes to make public at this time. This agent is anxious to purchase a site which will be at least a quarter of a mile away from any building, and will have a fair amount of waterfrontage. He is willing to purchase, from ten to forty acres of land, protection from ten to forty acres of land, protection from ten to forty acres of land, protection from the consideration being the disagreement of the maccount of disagreement, returned stating that they still found themselves unable to agree. Mr. Justice Clement discharged them accordingly. It is probable that the case will have to be held over till next assizes. It is generally understood also that the disagreement was occasioned by one juror only holding out from the rest.

The grand jury returned with a true bill in the case of Mr. and Mrs. Stewart, from ten to forty acres of land, protection for the past of the maccount of disagreement to apply to the Hon. Chief Commissioner of Lands and Works for a live still found themselves unable to agree. Mr. Justice Clement discharged Chemen to apply to the Hon. Chief Commissioner of Lands and Works for a upport the following described lands, situate the case will have to be held over till next assizes. It is generally understood also that the disagreement was occasioned by one juror only holding out from the rest.

The grand jury returned with a true billion and marked H. W. Smith's northeast corner, thence south 80 chains, thence east 80 chains to the point of commissioner of A. D. Macdonald's location and marked H. W. Smith's northeast occasioned by one juror only holding out from the rest.
