### The Family Physician

The best medicines in the world cannot take the place of the family physician. Consult him early when taken ill. If the trouble is with your throat, bronchial tubes, or lungs, ask him about taking Ayer's Cherry Pectoral. Then take it or not, as he says.

Bilious attacks, sick-headaches, indigestion, constipation, dizzy spells--these are some of the results of an inactive liver. Ask your doctor if he endorses Ayer's Pills in these cases. The dose is small, one pill at bedtime.

Prepared by J. C. Ayer & Co., Lowell, Mass.

Do You Get Bilious?

This trouble arises from torpidity of the liver. Nothing acts so nicely as Dr. Hamilton's Pills. They stir up the liver, rid the system of bile, tone the stomach, give appetite and sound digestion, you feel "briar and bud" tempered. Dr. Hamilton's Pills will help you at once.

--taken by night you're well by morning. Don't be afraid of Dr. Hamilton's Pills. They are mild--don't gripe or nauseate. They just "cure"--that's all.

### Obituary

The funeral of the late Joseph Meating took place from the family residence Thursday afternoon and was largely attended. The services at the church and grave were conducted by Rev. H. I. Lynds. There were a number of beautiful floral tributes. All the granite works were closed as a mark of respect to the deceased. Interment was in the rural cemetery.

At her home in Machias, Me., after a brief illness, Viola wife of Rev. Samuel R. Belyea died on Thursday, March 4th, aged 27 years. The remains were brought to Baring, Me., her former home for interment. The funeral took place from her father's residence, Mr. Simeon Phinney's on Sunday afternoon and was very largely attended. Rev. Mr. Barton of Milltown officiated at the house and grave. Besides a husband Mrs. Belyea leaves a father mother and brother to mourn her early death. Many beautiful floral offerings bore mute testimony of the esteem in which the deceased was held.

The death occurred on Thursday of Mrs. Levi W. Goodell after a lingering illness. Deceased was 38 years of age, and leaves to mourn a husband and five children, besides a large circle of relatives. The funeral was held on Saturday, services being conducted by Rev. E. V. Buchanan of the Baptist church.

MRS. BOYNTON HANLEY

Lula A. C. Hanley, wife of Boynton Hanley, passed away at her home in Back Bay, Saturday morning, after a lingering illness which she bore without a murmur aged twenty-four years. Mrs. Hanley was the sixth daughter of Oliver and Priscilla Hooper. Five years ago she was married to Boynton Hanley who survives her with two little daughters aged four and two years. From childhood to this mature age she was the personification of good, and therefore an example to all who knew her. Having the higher moral and spiritual senses highly developed in her character she won the respect of all in the vicinity. As a daughter she honored and revered her parents, and therefore the days of her early and influence, which she poured into the lives of others, shall be long in the land. Her home was the center of her affection her endeavors being to have those given unto her care to walk in the paths of purity and righteousness. Let us pray for more mothers, wives, daughters and sisters such as she as the greatness of any nation can only be measured by the moral and religious standard of its womanhood what is our loss, we believe, must be her gain. By the calm which sat upon her brow as she lay in that last chamber expressed that her last moments were similar to those of Longfellow.

"Out of the darkness of night  
The world moves into light.  
The day-break everywhere."  
The funeral services on Monday afternoon were conducted by Rev. A. B. Wade and were largely attended, much sympathy is extended to the sorrowing friends.
