"As a whole, the work has no parallel, nor is it at all probable that it will soon have one."—Boston Traveller. "Leaves so little either for the strict scholar, the man of general culture, or the limited employer of common words, to desire, that it may with truth be said, that nothing in the lexicographical line is left to be desired. The critics of Webster are, as a general thing, mousetraps and mole hunters."—Boston Ledger. "Appears to be as complete as it is possible to be made."—Boston Post.

From Hon. J. M. Gregory, "superintendent of Public Instruction, Michigan. Office of Supt. of Public Instruction, Lansing, June 30, 1859. Messrs. G. & C. MERRIAM, Gentlemen:

I know not how to express my gratification with the valuable and beautiful features added to the great national work, Webster's Quarto Dictionary. They render it if possible still more worthy of the proud place it occupies as the standard dictionary of our good English language. I say standard, for while a few scholars and others here and there, prefer other Dictionaries, Webster's is beyond dispute the book of the people, the common standard of appeal among the great masses, learned and unlearned, in our land. Nor need this be regretted, so long as its publishers take such unwearied pains to keep it abreast with every improvement made in the language. I can only express my very sincere hope that you may be fully rewarded for the good work you are doing in the cause of sound learning.

With considerations of high respect, I remain, gentlemen, Yours truly, J. M. GREGORY. SLD BY ALL BOOKSELLERS. "GET THE BEST"—GEO. WEBSTER. G. & C. MERRIAM. Springfield, Mass.

MRS. WINSLOW, An experienced nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP, For Children Teething, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation, and is SURE TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants. We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine. Never has it failed in a single instance, to effect a cure without a single dose. Never did we know an infant, who was disatisfied by any one who used it. On the contrary, all are delighted with its operation, and speak in terms of the highest commendation its magical effects and medical virtues. We speak in this manner, "what we do know," after twenty years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered. This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England, and has been used with never failing success in THOUSANDS OF CASES. It will not only relieve the child from pain, but invigorates the stomach and bowels, corrects the acidity, and gives tone and energy to the whole system. It will allay the griping in the bowels, and overcome convulsions, which if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhoea in children, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints, do not let your prejudices, nor the prejudices of others, stand between you and your suffering child, and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine if timely used. Full directions for using will accompany each bottle. No charge unless the medicine is used for CURETIS & PERKINS, New York is on the outside wrapper.

Ayer's Sarsaparilla

A compound remedy, in which we have bled to produce the most effectual alterative that can be made. It is a concentrated essence of Para Sarsaparilla, so combined with substances of still greater alterative power to afford an effective antidote for the diseases of the blood. It is a remedy that such a remedy is wanted by those who suffer from Strumous complaints, and that which will accomplish their cure must be of immense service to this large class of afflicted fellow-citizens. How completely compound will do it has been proven by experiment on many of the worst cases to be of the following complaints:—SCROFULA AND SCROFULOUS COMPLAINTS, Eruptions and Eruptive Diseases, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RASH, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, RALGIA OR TIC DOULOUREUX, DEBRILITY, DEPRESSION AND INDIGESTION, ERYSIPELAS, R or St. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY IN THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, expel the foul humors which foster in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruption, if not assisted to this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with the pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations pretending to be concentrated extracts of it contain but little of the virtue of Sarsaparilla, or any thing else. During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. But we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY DR. J. C. AYER & CO., LOWELL, MASS. Price, \$1 per Bottle; Six Bottles for \$4.

Ayer's Cherry Pectoral, has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on for their relief all it has ever been found to do.

Ayer's Cathartic Pills, FOR THE CURE OF Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Erysipelas, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Teiser, Tumors and Salt Rheum, Worms, Gout, Neuralgia, as a Dinner Pill, and for Purifying the Blood. They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic. Price 25 cents per Box; Five boxes for \$1.00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish our AMERICAN ALMANAC in which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure. Do not be put off by unprincipled dealers with other preparations they make more profit on Demand ARMS, and take no others. The sick want the best aid there is for them, and they should have it. All our Remedies are for sale by W. T. BAIRD, Woodstock; S. F. GROVENOR & SON, Eel River; W. H. SMITHSON, Fredericton; JOHN MCINTYRE, Richmond; J. M. WALKER, St. John, and by all Druggists and Merchants.
