New School for Lancaster.

The rate-payers of Lancaster will assemble in the Tower School on Wednesday evening next for the purpose of discussing the matter of extra school accommodation. The present school building which is situated near the Martello Tower, is anything but suitable as a public school at the present time. It is an old time building, too small for the increased number of children that attends during the present time; in fact, the school population has greatly increased since the building was erected and at the present time it is very much overcrowded. There are three rooms, with four grades in one room and two teachers. The building is said to be very poorly ventilated and while some of the rate-payers are of the opinion that some improvements can be made, the majority are thinking that a new school should be erected. The matter will be thoroughly discussed and it is expected acted upon when the rate-payers assemble Wednesday evening.

AT ONCE! STOPS STOMACH MISERY AND INDIGESTION

"Pape's Diapiesin" makes sick, sour, gassy Stomachs feel fine.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, let this down: Pape's Diapiesin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapiesin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as "Pape's Diapiesin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations, no indigestion, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapiesin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.

EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

If feverish, bilious, constipated, give fruit laxative at once.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again.

Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, and get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

MAINE POTATO PRICES.

Part of the bottom has dropped out of the potato market over in Maine. At Caribou prices have taken the first big slump of the year, tumbling rapidly from \$4 to \$3.35 and then to \$3 a barrel. The market is at a standstill as the producers have stopped selling and the buyers do not want to load up with more tubers at this time when market conditions are so uncertain. In Montreal prices have dropped from \$2.25 and \$2 a bag to \$1.75 and \$1.65, as to quality. Potatoes in St. John are selling at from \$2.75 to \$3 a barrel. In Westmorland county the price is in the vicinity of \$2.50 a barrel.

PRINCE OF WALES KIDDIES DO WELL.

The children of the school at Prince of Wales by selling tickets for a quilt contest realized \$9.50 for the Belgian fund. Mrs. Raynes held ticket 44 and won the quilt.

OBSTINATE COUGHS and Colds YIELD TO DR. WOOD'S NORWAY PINE SYRUP

All obstinate coughs and colds yield quickly to "Dr. Wood's" containing as it does all the lung healing virtues of the Norway pine tree, combined with the soothing, healing and expectorant properties of other excellent herbs and barks.

Mrs. H. F. McCormick, Rodney, N. S., writes: "I had a severe cold one winter, and had been coughing for a month. I could not sleep at night, nor could I speak above a whisper."

"After I had taken a bottle of Dr. Wood's Norway Pine Syrup I felt better so I took two or three more and was entirely cured. I have three children and I always give it to them when they have a cough or cold."

Dr. Wood's Norway Pine Syrup has been on the market for twenty-five years and we claim that it is the best cure for a cough or cold you can possibly procure.

"Dr. Wood's" is put up in a yellow wrapper, three pine trees the trade mark, price 25c. and 50c. Manufactured only by THE T. MILBURN CO., LIMITED, Toronto, Ont.
