Section 1. The state of the president, and on the right
and left of Mrs. Grant for gentlemen. time; and we were all made to realize the ant against whom his momentous revelasion of our railroads, and the impossibility time. Is is, however, of the progress of the season, rather than the value of railways, that we desire to speak. The storm was wide-spread, the cold intense, but let us hope that it was the last of the season. A finer day than Saturday for a winter's day it would be impossible to expect; the season of time. Is is, however, of the progress of the most unexpected event that could have been named, and the crowd seemed to regard this coup of the trial. It was 'ten minutes to 3 o'clock when the crier called out his name. Notoday it would be impossible to expect; the season of the progress of the most unexpected event that could have been named, and the crowd seemed to regard this coup of the trial of the season. The men, moving slowly that could have been named, and the crowd seemed to regard this coup of the trial of the turning point in the trial. It was 'ten minutes to 3 o'clock when the crier called out his name. Notoday believed that such a man was among the living, but a side door suddenly opened and to the amazement of all Mr. Garvey and to the amazement of all Mr. Garvey and to the amazement of all Mr. Garvey and to the smazement of all Mr. Garvey and the could have been named, and the could have been sufficient to produce death. The surroundings gave every indication that there is the heady of a woman, with the legs direction. The men, moving slowly the could be the fire. Upon closer examination they found several deep wounds in the victim's breast, any of und several deep wounds in the victim's produce death. The surroundings gave every indication that there had been a terrific struggle. A amount of treading necessary varies considered that the result of the surroundings gave every indication. The men, moving slowly the cou of doing without them even for a limited it seemed to foreshadow the coming change,-the departure of Winter, the approach of Spring. And with the length shell fallen in the midst of the court room one was yet being filled with grapes, dragged the body to the brush heap which please the injured Prince, so he sued the shell fallen in the midst of the court room ening of the days that herald the spring time come fresh duties, new activities, and a general brushing up preparatory to entering on the new campaign. In Commerce the change is particularly notice.

The shell fallen in the midst of the court room one was yet being filled with grapes, basket after basket being brought from the body was discovered, and there was agrieved to the extent of about three thousand dollars. Naturally enough the "must," the man in charge of the "must," the man in charge of the "must," the man in charge of the designant of the court room one was yet being filled with grapes, basket after basket being brought from the body was discovered, and the villan who had performed the deed evidently had not long been gone. Both legs had been burued off and the remains greatly disfigured Prince, so he sucd the basket after basket being brought from the body was discovered, and the villan who had performed the deed evidently had not long been gone. Both legs had been burued off and the remains greatly disfigured Prince, so he sucd the basket after basket being brought from the body was discovered, and the villan who had performed the deed evidently had not long been gone. Both legs had been burued off and the remains greatly disfigured Prince, so he sucd the basket after basket being brought from the body was discovered, and the villan who had performed the deed evidently had not long been gone. Both legs had been burued off and the remains greatly disfigured Prince, so he sucd the set on fire. The fire was still burning the set on fire. The fire was still burning the set on fire. The fire was still burning the set on fire. The fire was still burning the set on fire. The fire was still burning the set on fire. The fire was still burning the set on fire. TO DAY'S PROCEEDINGS. FREDERICTON, March 11. Montgomery and Theriault arrived on

Upper House. Hamilton and Montgomery were five days

Willis presented a petition from Port-

gers and mails, and returned to the Capital. Wedderburn introduced petitions from The train left Carleton this morning on Portland Town Council praying for the time, and left Fredericton Junction for passage of bills for the purchase of lands McAdam 25 minutes behind time. It is in certain cases; for paying for Steam Fire

Government, and reiterated his objections There will be no train from Fredericton came last year to the House a great many Junction till evening. Nothing definite of the young members signed a paper to had been received from the Bangor train turn out the Government without giving up to 1 p. m.. The road from Carleton to them a trial, and then complained of son e of their confreres for deceiving them. He

Three engines left Shediac yesterday, thought it served them right. He said all unday, morning to plow out the road he could make out of the present debate rom Painsec to Dorchester, and got with was that it was changez pour changez. Last in 12 miles of Dorchester, when they had year, with the Leader of the Opposition. to abandon the work on account of rain, Mr. Willis, he supported the Government on the School question. He voted against The Train which left Sackville on Satur- the non sectarian clause, and thought day did not arrive at Amherst until Sun | the Government did wrong in making the regulations, and he would cast his vote

Ryan said he would support them. Maher followed against the Government: announced himself in favor of direct taxation for Schools, and said the Catholics A Train left St. John Station at 9.30 of the Province did not wish to agitate the

Government and Opposition.

The Government had calculated on the No. 5 Train, which left Shediac at 9.30 Mr. Caie and spoken for the Opposition. m. to-day, had not arrived at Painsee Mr. Theriault, it appears, has just arrived at 2 p. m.-cause, water in the cuttings. | at Fredericton, though his presence was not expected this Session. It is not improin the Rooms of the Y. M. C. A., on Tues- bable that he, too, may go with the Oppcday evening. Messrs. W. Kerr, J. E. sition. Giving to the Government Mr. Irvine, W. Thomson, and others will give Ryan, of Albert, and to the Opposition the Readings, and the Rev'd. R. C. Morse of two Frenchmen just named, and not includthe Y. M. C. A. New York, will deliver a either faction, the vote would stand, brief address. The public are cordially in- Government 20, Opposition 18. So that if Messrs. Wedderburn and Donald go

with the Opposition there will be a tie In the Assembly on Saturday afternoon vote. The Speaker undoubtedly sympa-Mr. Crawford concluded his speech in de thizes with the Opposition. Mr. Gough, ence of the Government; and Mr. Adams, it will therefore be seen, has been pulling Roman Catholic member from Northum | the wires to some purpose, and has finally berland, spoke for the Opposition. He de- arrayed all the Catholics in the House on

As will be seen in our advertising columns this establishment is now open, and operat-Mr. Hatheway, according to a telegram ing will be begun at once. The lower flat to the Telegraph, has been personally (lately occupied by Mr. Hubbard) is used threatened by Roman Catholics on account as a show room, and here may be seen some real gems of pictures by eminent English and Canadian artists. A suggestive pair In consequence of the recent snow block- (in photo) are 1870 and 1871—1870 a young ade, the transportation of heavy freight on French couple,-the wife,s head fondly the Government railways had been virtual- resting on her husband's shoulder, both in ly suspended. The quantity detained was seeming bliss; while a couple of happy very great, and we presume the resulting children gambol mid the flowers. But loss has not been slight. From one to two 1871,—what a change! A beautiful young hundred car loads are understood to have widow leading her two little ones to their
