**Softball and Tug of War** On June 17, 1982, Fort McMurray members were challenged to a slow pitch softball game and tug of war, in conjunction with Fort McKay Treaty Days. As the game proceeded it was evident the competition could prove worrisome to the unseasoned members. The game ended with the Fort McKay team trouncing our members 23-11.

The tug of war provided a chance for our members to redeem themselves; teamwork was the key. "Heave," "Heave," "Heave" came the chant. Heave they did and came away with victory. Thanks to the Fort McKay team, Cst. Armagost and S/Cst. Ladouceur for organizing the event.
