### DR. GREEN'S Vegetable Tonic Syrup.

THIS OLD, time tried, standard, remedy will maintain its popularity. When all others have proved inefficient, the Syrup alone continues to give satisfaction. USE IT FOR COUGHS, COLDS, CATHARRH, ASTHMA, BRONCHITIS, INFLUENZA, CONSUMPTION, and all diseases of the THROAT, CHEST, AND LUNGS. TWENTY YEARS AGO this Syrup first made its appearance; and even then in its primitive and imperfect state produced such extraordinary results that it became, at once a general favorite. Many have made it, what it really is, A FAMILY MEDICINE. For as more than half the diseases "cold, so this may be considered a general preventive of all diseases, by removing the primal cause. ADULTS SHOULD ALWAYS KEEP THIS FAMILY PHYSICIAN at hand; and by its timely use save hundreds of dollars that would otherwise be swallowed up in discharging doctor's fees. Sold at every Drug and Country Store throughout Canada. Price 25 cents per Bottle. Prepared and sold by WAIT & WARD, Chemists, Anprior, C.W.

### DEBILITATED WORM CANDY.

(CERTIFICATE.) Albany Medical College, December 15, 1882. I do hereby certify that I have analyzed Dr. Ward's Debilitated Worm Candy, and to the public I would say that they contain nothing that is in the least injurious to the youngest infant. They are entirely vegetable, and possess those truly antihelminthic qualities which above all others are preferable as exterminators of the common Tape Worm. J. V. P. QUACKENBUSH, Prof. of Obstetrics and diseases of Women and Children.

This Medicine has been prepared by the proprietors for a number of years; has been used with the most decided success in numerous families of the first respectability, and has received the approval and recommendation of several eminent medical gentlemen. The most alarming symptoms of the disease arising from the prevalence of worms in the intestines have been speedily and entirely removed by the use of the VEGETABLE WORM CANDY. Dreadful indeed are the effects of these pernicious worms on the constitution, destroying the appetite, vitiating the nourishing principles, and their certain consequences are paleness, emaciation, a stoppage of the growth, etc., and often followed by consumption and decline. Even where worms are not discharged, this medicine acts as a gentle and safe domestic physic, clearing the passages of whatever is noxious, introducing a healthy chyle into the constitution. This is a purely vegetable preparation, and contains nothing that is injurious to the smallest infant, and children will eat them as quickly as common candy. Price 25 cents. Prepared and sold by WAIT & WARD, Chemists, Anprior, C.W.
