## Russian Loan Goes in Default in N. Y.

**AMERICAN BANKING SYNDICATE**  
NOTIFIES \$50,000,000 6 1/2 PER CENT  
THREE YEAR CREDIT WILL  
NOT BE PAID.

New York, June 17.—The Imperial Russian Government \$50,000,000 6 1/2 per cent, three-year credit, maturing to-morrow, will not be paid according to a statement which, issued to-day by the American banking syndicate, which subscribed to the loan, was received from S. Ughet, Charge D'Affaires Ad Interim and financial attaché to the Russian Embassy at Washington.

In his letter to the syndicate, Mr. Ughet stated that "due to circumstances beyond control, I shall be unable to provide funds" which implies that the loan will go by default.

The Russian Charge D'Affaires announced, however, that he had been in communication with the all-Russian Government at Omsk, under Admiral Kolchak, and while he had received no reply as yet, "published accounts of Admiral Kolchak's communications to the allied Governments clearly state that the external obligations of the Russian Government issued prior to November, 1917, will be recognized."
