

# ORDER BOOKS LIST AND STATIONERY

## READ THE PREMIUM OFFERS.

### Our Great Book Offer.

We shall continue, for a short time, the offer of "The New Arithmetic," the "Hints and Answers," and the "Examination Manual," for one dollar. See announcements of these books in September number.

#### The New Arithmetic.

A copy of "The New Arithmetic" will be sent free to every subscriber who sends us one new subscription (not renewal) at the increased subscription price—two dollars; and a copy of the "Examination Manual" will be sent free, as a premium, to the new subscriber.

#### An Examination Manual.

Four thousand copies of this book are now in use. It is a great *help* manual in the classroom. Every progressive teacher should have a copy. Price, 50 cents. Mailed free, as a premium, to every new subscriber who remits two dollars.

#### Williams' Composition and Practical English.

This is without exception the best book on grammar and composition that has yet appeared. See the announcement elsewhere. Price, 60 cents. Mailed free for one new subscription at *two dollars*. "Examination Manual" free to the new subscriber.

#### Monteith's New Physical Geography.

Just issued. This work greatly simplifies the subject, and its treatment is distinctly popular. It contains illustrations of the finest character, including colored charts and bird's-eye relief maps. The very latest discoveries have been obtained for this book. Price, \$2. Mailed free for two new subscriptions at *two dollars each*. "Examination Manual" free to the new subscribers.

#### Steele's Hygienic Physiology.

Especial reference to alcoholic drinks and narcotics. This new work contains many excellent and popular features, including colored plates, blackboard analysis, practical questions, etc. Price, 75 cents. Mailed free for one new subscription at *two dollars*. Premium to new subscriber.

#### Watson's Graphic Speller.

This novel spelling-book is the most comprehensive, progressive, practical and interesting yet published. Gives exercises in spelling, pronunciation, words, lines and figures. Numerous exercises in drawing. Price, 50 cents. Mailed free for one new subscription at *two dollars*. A copy of the "Examination Manual" free to the new subscriber.

#### Ayre's Verbalist.

A manual devoted to brief discussions of the right and the wrong use of words, and to some other matters of interest to those who would speak and write with propriety. Price, 50 cents. This book and a copy of the "Hints and Answers" will be mailed free for one new subscription at *two dollars*. A copy of the "Examination Manual" will be sent free, as a premium, to the new subscriber.

#### Hints and Answers.

This book contains the answers to every exercise in "The New Arithmetic." The hints to the solutions and to the new methods will be found very valuable. Price, 50 cents. A copy of this book and a copy of the "Examination Manual" will be sent free to every subscriber who sends us one new subscription, and another copy of the "Examination Manual" will be sent free, as a premium, to the new subscriber.

#### Ray's Test Problems in Algebra.

This book contains nearly 3,000 test problems. It is intended to supplement any algebra. The exercises are carefully graded and classified. Every teacher of algebra should have a copy. Price, 75 cents. Mailed free for one new subscription at *two dollars*. "Examination Manual" to the new subscriber.

NOTE.—Three subscriptions at one dollar will be considered equivalent to one at two dollars.
