

performed the Annual Drill for 1869-70.—Continued.

Whether in possession of Band. No. of musicians and proficiency.	Whether in possession of Colors.	Class of Drill Sheds available, and where situated.	General state of Clothing, Arms & Accoutrements.	NATURE OF MOVEMENTS AT INSPECTION, AND HOW PERFORMED.	Whether No. of files on parade corresponds with parade state.	Whether absentees were clearly accounted for under distinct heads.	Whether the men of the several Corps were bonded members thereof.	Complaints of N. C. O. and Men.	REMARKS.
A good band of 15 performers	None.	Four drill sheds at Company Head Quarters.	Clothing and accoutrements old and much worn, the arms in very good order.	Company and battalion drill every day, with two brigade days during the week.	Yes.	Yes.	No men reported under this head.	None.	Was brigaded with the 42nd Battalion. The drills were most satisfactory, and the greatest credit is due to the Officers and men for improvement during their stay in camp. Date of inspection, 1st, of October 1869.
None.	None.	One company drill shed at Yankleek Hill, and one at Hawkesbury Mills.	Rifles generally very clean, clothing and accoutrements old and much worn, but in clean order.	Ordinary company light infantry, and battalion drill.	Yes.	Yes.	No men reported under this head.	None.	The battalion drilled steadily and well for the short time they had been in camp, and reflected much credit upon the Officers and men. Date of inspection, 13th of October 1869.
None.	None.	Ottawa drill shed.	Clothing and accoutrements much worn, the latter in good order.	Battalion and company movements; at the inspection these movements were performed creditably and well.	Yes.	Yes.	No men reported under this head.	None.	The four City batteries of this Brigade were allowed to perform their drill at Company Head Quarters, and are to be inspected hereafter. Date of Inspection, 12th of October 1869.
None.	None.	Ottawa Drill Shed.	Good.		Yes.	Yes.	No men reported under this head.	None.	The Drill of this field battery was excellent, and much credit is due to Capt. Forsyth for keeping the Battery in so efficient a state. Date of inspection, 29th of June, 1869.
