

An Act to amend chapter fifteen of the Consolidated Statutes for Lower Canada, intituled: "An Act respecting Provincial Aid for Superior Education and Normal and Common Schools."

WHEREAS the duty imposed on Secretary-Treasurers by the seventy-first section of chapter fifteen of the Consolidated Statutes for Lower Canada, respecting Education, of making an annual census of the children in each School Municipality, interferes considerably with the performance of their other duties; and it is expedient to remedy this inconvenience: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

1. Notwithstanding anything to the contrary in the seventy-first section of the Act above cited, the census of children in each School Municipality shall hereafter be made by any person who may be appointed for that purpose, and paid by the School Commissioners or the Trustees of Dissident Schools, if they think proper, and not necessarily by their Secretary-Treasurer as heretofore.
2. The half-yearly examinations made by the Commissioners or Trustees of Schools shall be public.

Preamble.

Annual census of children may be made by any person appointed therefor.

Examination to be public.
