BIG BARGAINS in NEW and USED Books

¶ We sell books at prices which cannot be matched anywhere.

We have more than a million books in circulation in our Libraries, so that we are constantly feeding in thousands of new books at one end and taking out thousands of slightly used books at the other. The used books having already earned a profit, we can afford to sell them at remarkably low prices. We also buy New books in such large quantities that we can afford to sell our "Overs" at prices equally low. Our Fall Catalogue, containing a full list of special bargains in Fiction, Science, History, Travel, Biography and Literature, sent on request. Address—
