"Green Machine" takes tournament

By Mary Desrochers

York University's Stong College took first place in the Stong College Invitational Hockey Tournament, November 18, in a sudden death overtime victory over Algoma.

Four teams competed in the two day round robin series. Game scores leading to the championship were: Stong over St. Michael's 7-5; Algoma and Vanier, 2-2; St. Michael's over Vanier 9-4; and shutting out Stong, 3-0; Stong defeating Vanier, 6-4; and Algoma over St. Michael's 3-2.

Going into the finals, Algoma had five points to Stong's four. The first goal of the game was scored by Stong Captain Paul Johnson, followed in the second period by a goal from Stong's Paul Kirk. Algoma scored early into the third period and then again with less than two minutes left to play in regulation time. Under sixty seconds into the overtime, Ralph Jung set up

Steve Campbell who scored the winning goal to give a 3-2 victory over Algoma.

Steve Dranitsaris, co-ordinator of the tournament and Stong College team coach says, "The final game was an exciting, end-to-end, fast skating, hard hitting game."

Vanier team Captain Ted Fauteux states, "I thought that the whole competition was quite good; I was very happy with the entire tournament."

The outstanding goal tender in the series was Algoma College's Mike Belanger. The most valuable player

award was given to Paul Currie, Stong's utility forward who was a strong leader in the tournament collecting two goals and three assists.

The four teams were very evenly matched and each maintained a high degree of sportsmanship. Though fan support was disappointing, as Dranitsaris says, "It was incredibly competitive."

The next inter college competition is an annual event hosted by Laurentian University at Sudbury which will take place into the new year.

Stong coming on strong

By Pete Hibbard

Co-ed Volleyball

Tuesday, October 15 saw the dramatic finish of the co-ed volleyball season with four teams battling it out in the finals.

On court one it was Stong 1 vs Calumet 1 and on court two, it was Alumni vs. Founders. The four teams making it to the finals by their brilliant performance the Wednesday before, on November 9 in the semi-round robin preliminary tournament.

The powerful Stong 1 team under the direction of player-coach Ian Oglesby had little problem disposing of the Calumet team, three games to one, while Founders had a tougher time defeating a stubborn Alumni team, three games to two.

In the final best out of five series for the championship, Stong 1 and Founders were pitted against each other for what turned out to be a fairly even contest, with excellent volleyball being executed by both teams.

After a long hard fought set, Stong 1's team finally emerged the victor, with a three games to two margin, which saw many long rallies and breathtaking points scored. After two and a half hours of

volleyball, Stong 1 was glad to walk away the Victor, after an exhausting evening of volleyball.

In the consolation round for third place, Alumni defeated Calumet, three games to one.

Men's Basketball

In the season opener last Thursday the powerful "Green Machine" of Stong College defeated the Osgoode Owl 2 team 50 - 28 in a partial revenge of last year's loss to Osgoode in the championship game, Osgoode 1 defeated Stong 1 last year in a close contest.

Coach Mike Ferrier thinks that this year's team, consisting of many players from last year's team and a few good recruits will go all the way.

Swim Meet

On November 7 Stong College chalked up 550 points towards the York Torch by winning the inter-college swim meet. The "Green Machine" placed first in both the women's and coed divisions and came third in the men's division. McLaughlin and Osgood tied for first place in the men's division.

Points allotted: McLaughlin, 466, Founders, 410, Osgoode, 362, Bethune, 342, Calumet, 290, Alumni, 161, Winters, 127, and Vanier, 107.

Puckers overpowered 13-3

By George Trenton

"Sometimes it goes well one way for one team and sometimes it goes well the other way" were the words of Jack Kennedy, coach of the McMaster Mauraderettes after his team handed York their first loss of the season, 13-3, in last week's scheduled ice hockey game against the Yeowomen.

The Mauraderettes, who won the Yeowomen Ice Hockey Tournament two weeks ago, completely overpowered the York team scoring 5 goals to York's 2 in the first period. Linda Berry and Alice Vanderlay got the markers for York.

In the second period McMaster played shorthanded three times, scoring only twice. York's "Thumper", Betty Ann Armstrong, capitalized on a McMaster penalty by popping in the last Yeowomen goal.

The roof caved in in the third period as the Mauraderettes scored 6 unanswered goals on York's shell shocked goalie Brenda Stewart.

"We need a lot of line work and

conditioning," said coach Laura Smith. It was evident in the third period when the Yeowomen seemed to lose their skating legs as well as their passing accuracy.

This could be attributed to the close forechecking of McMaster who broke up many of York's offensive rushes during the game.

Smith also commented that the girls would have to get down to business on Saturday night when they host the Queen's Golden Gals.

The Yeowomen play at 7 pm Saturday in what is expected to be the most exciting game of the season.

A Varsity Athletes' Disco and Talent Night will be held this Saturday in Founders Dining Hall starting at 9 pm. The Talent Show will begin at 11 pm. Admission is 50 cents for all varsity athletes, coaches and managers. Others: \$1.50.
