Ottawa, July 21, 1916.

Mr. P. C. Larkin,  
33 Yonge Street,  
Toronto, Ontario.

Dear Mr. Larkin:

It is kind of you to have sent me the post card containing the picture of the new building of the Salada Tea Company in Boston. You are certainly to be congratulated upon its appearance. The next time I am in Boston I shall take the liberty of paying the Salada Tea Company's new building a personal visit.

It was a real pleasure, as it always is, to have seen you here during the conference of the last few days. I think every one was well pleased with the spirit of the gatherings and the progress made during the week.

I hope you found Mrs. Larkin and Miss Larkin well on your return, and that you did not forget to give my kindest remembrances to them both.

With best regards,

Believe me,

Yours very sincerely,
