LONDON, January 28th, 1941.

No. 167. My telegram No. 3 of January 1st, and my telegram No. 100 of January 17th. Proposal for Canadian firemen contingent. I would appreciate indication whether proposal would be acceptable on principle so that I could tell authorities here that matter is under consideration, even if there are material difficulties in arriving at decision regarding details which would delay final answer.
