Dear Sir;

Would you kindly let Edith Jackson have the sum  
of fifty dollars (\$50.00)?

I think that the best thing that can be done with  
Edith is for her to remain at the Institute till she is ~~maxx~~  
married. Gus Campbell who was discharged from this school in  
Sept. last is a steady boy. He and Edith have done some court-  
ing and would get along well together. I saw Gus a few days  
ago. He is living with his mother and his earnings go into a  
common fund. He is simply getting his board out of it. When I  
talked to him he said he had no money with which to get  
married nor had he any land of his own.

The right thing for these young people to do is  
to get away from their people, and live their own life. His  
people will always keep him poor no matter how hard he may  
work.
