1. With reference to your letter of November 15th, permanent certificates for the above noted aircraft have not yet been issued.
2. The purpose for which the aircraft is to be used is stated as 'Private - Commercial' and we are assuming that it will be in order to strike out the word Private and consider this a Commercial aircraft.
3. No record is found of the capacity of the fuel tanks installed in this aircraft and it is requested that you will forward information in this regard.

(S. Graham),
Superintendent, Air Regulations.
