

True and Unfailing Help For Suffering Women.

PAINE'S CELERY COMPOUND

The World's Medicine for the Cure of Female Troubles.

A large share of the evils and sufferings which women are liable to, result from special female weaknesses and diseases. From the girl entering womanhood to the woman who arrives at the Grand Climacteric or "Change of Life," there are troubles, ailments and irregularities—too often borne in silence—which undermine the health and result in disease. Where such conditions exist, Heaven help the poor sufferers to fully realize their perils and dangers!

It is well known that ordinary medical treatment too often fails to build up the delicate nervous system of woman, and give necessary tone and

strength to the important female organs. The experience of years, medical testimony and letters from tens of thousands of cured women, point to Paine's Celery Compound as woman's friend and life giver. Jessie M. Ross, Quyon, P. Q., says:—

"It affords me much pleasure to testify to the great good that Paine's Celery Compound has done for me. I was completely run down in health and a victim of female weakness, and after using three bottles of Paine's Celery Compound I was completely cured. It is the best blood purifier I know of, and I recommend it to all who are troubled as I was."

HOUSE OF COMMONS.

Purchase of Cattle for South Africa in the United States.

Ottawa, June 26.—An unusually large farmers' excursion visited the Dominion Experimental Farm and the Canadian cow appropriately occupied the greater part of yesterday's session of the House, yielding the floor in the evening to the Canadian bull, whose rejection by the Imperial authorities and the acceptance of his Texan brother as a more suitable and cheaper animal for restocking Boer farms formed the subject of a motion of censure upon the Government. The House, while paying tribute to the excellence of the Canadian stock, declined to censure the Government, which had made every effort to induce the Imperial authorities to make their purchases in Canada. Yesterday Mr. J. T. Schell, who defeated Lieut. Colonel McLennan at the last general election by an overwhelming majority, made an explanation of the circumstances under which the firm of which he is a member sold \$4 worth of material for making cheese boxes to the Canadian Government commissioner at the Glasgow Exhibition, in ignorance of the fact that that gentleman was acting for the Government, and during the absence of Mr. Schell at Ottawa. The matter was referred to the Committee on Privileges and Elections.

COMMITTED FOR TRIAL.

Four Indian Boys Charged With Arson at Brantford.

Brantford, June 26.—Constable Donnelly arrested Frank Winney, a thirteen-year-old Indian boy, at Stony Creek, and he was arraigned on a charge of being connected with the recent fires at the Mohawk Institute. He pleaded guilty, and implicated Roy Wilson in the burning of the barns. Wilson confessed to the burning of the institute, but claimed that he had nothing to do with the second fire. All four Indian boys, Wilson, Louine, Johnson and Winney, were committed for trial.

Killed on the Railway.

Winnipeg, June 25.—(Special).—A man named McKercher was killed on the C. P. R. tracks near Regina last night. He was sleeping on the track. Deceased was a C. P. R. engineer, and was en route to Montreal to visit his wife.

KIDNEY-WORT TABLETS

AN EFFECTIVE AND POSITIVE CURE KIDNEY DISEASES.

Every man and woman should know when his or her kidneys are becoming weak and diseased. You will realize the fact if you experience backache, loss of appetite, cloudy or milky colored urine, swelling of hands and feet, bloating of the body, unnatural thirst and loss of weight. These symptoms are sure indications of kidney trouble.

Directly these symptoms are noted, make immediate use of Dr. Pettigill's Kidney-Wort Tablets, a purely

vegetable compound, and free from alcohol. The ordinary liquid kidney medicines are largely made up of common alcohol, which inflames and irritates the kidneys.

Dr. Pettigill's Kidney-Wort Tablets have rescued thousands of kidney sufferers from death after the failures of physicians. Try them to-day; you cannot be disappointed; 50 cents per bottle or six bottles for \$2.50. All Druggists recommend them.

SUGGESTIVE EMBLEMS.

Caged Birds and Spiders Seeking Fines on Marriage Licenses.
The marriage license blanks printed and issued under the authority of the state of Maryland contain emblems which furnish cynics of both sexes with material for comment. These blanks are in three sections, each surrounded with an ornamental printed border. The first section is the authority for the clergyman to perform the marriage and is retained by him. The other two sections are the clergyman's certificates of the marriage, one being given to the contracting parties and the other being returned by the clergyman to the office which issued the license.

The emblems referred to are used to embellish the borders on the certificates of the marriage. Four birds ornament the certificate to be given to the contracting parties. Various inferences may be drawn from the fact that two of the birds are free and happy, flying about a twig, while each of the other two is on a perch, moving in a cage. One of the cages is at the top of the border and the other at the bottom, with the free birds in the intervening space.

Even more suggestive is the ornamentation on the border of the certificate which the clergyman is to return to the clerk's office. This is a representation of a spider in its web, in which an unfortunate fly has been entangled. The hungry spider is portrayed as about to hasten to clutch the unhappy victim. No motto accompanies either ornamentation.

It is said that the emblems referred to have only been used since Governor Smith has been in office. Prior to that time a border was the only embellishment of marriage licenses.—Baltimore Sun.

HOWARD COUNCIL.

The municipal council of Howard met at township hall, Saturday June 27th, 1903, pursuant to adjournment. All members present. Minutes of previous meeting and of court of revision on assessment roll read and confirmed.

COMMUNICATIONS.

From Walter Mills, giving notice that a motion will be made to J. B. Rankin, drainage referee, for an order settling the procedure and for direct proceedings in the matter of J. W. Campbell re damages Harrison drain.

From J. B. Rankin, K.C., allowing the procedure to be followed in connection with the above trial.

From H. D. Smith, barrister, stating that he had taken out an appointment for argument re McGregor Creek and Butler drains and that same will take place in Chatham June 29th.

From Geo. Higgs, stating that during his brother's illness with smallpox he had lost a great deal of time attending to his stock, in all about thirty days, and wished remuneration for same.—No action.

From E. Orendorf, stating that owing to a defective culvert on lake shore he had met with a loss to his stock of \$25, and asked for a settlement for above amount.—No action.

From Angus Smith, C.E., stating it was impossible for him to have the reports on the Whitman and McCoy drain ready for this meeting, but would be ready for the next meeting.

REPORTS.

From Jas. A. Bell, C.E., for the repairing and improving of the various drains. Boothroyd and Tape requires repairing at a cost of \$184.80; Cruickshank drain also requires deep-

ening and otherwise improving, cost of same \$462.30, and as to the South Marsh, considers that if the tiled portion of drain was placed in a proper state of repair and the drain cleaned out from the outlet of the tile westerly about 1,000 feet, that this is all the repairs required. As to the cost it is impossible to say, as I could not say how many tile are broken.

From Angus Smith, C.E., for the repairing of the west branch McDowell drain, stating that same required improving at a cost of \$177.25.

From W. G. McGeorge, C.E., plans and specifications for a concrete arch culvert on Talbot street.

From A. F. Campbell and J. C. Williams re committee gravel on lot 7, T.L.R., stating that there is still quite an amount of gravel in the old pit. Would recommend putting on a gate to entrance and put wire on the south side of pit.

From W. D. Campbell and William Simpson, jr., ratepayers on the Alexander drain, wishing to have the same repaired and improved under the Municipal Drainage Act; also application from Geo. Winters for repairing and improving the Balmer branch of the Field's Creek drain.

Dr. Charlesworth, examining F. Crowder as to insanity, \$5; Dr. C. B. Lake, two visits to F. Crowder, \$7; D. McGeachy, repairing Duffin's bridge, \$21; H. McLarty, com. Duffin bridge, \$2; J. C. Williams, com. Duffin bridge, \$2; J. C. Williams, committee gravel pit, \$2; A. F. Campbell, committee gravel pit, \$4; A. F. Campbell, committee gravel pit, \$2; E. Brien, committee gravel pit, \$2; Walter Wilson, 192 twelve-inch tile, \$17.28; W. Scale, putting in 3 1/2 rods tile Crouch drain, \$11.25; J. W. McKenzie, assisting survey South Marsh drain, \$6; D. McAllister, assisting survey Cruickshank drain, \$1.50; W. J. Cruickshank, assisting survey Cruickshank drain, \$1.50; W. Simpson, services as caretaker of hall, \$5; James Blake, expenses taking F. Crowder to asylum, \$10; Dominion, advertising court revision and printing pathmaster notices, \$4; Plaindealer, advertising court of revision, \$3; John McIntyre, assisting survey Boothroyd and Tape drain, \$1; Finlay McKerricher, assisting survey Boothroyd and Tape drain, \$1; Thos. Barrett, assisting survey Boothroyd and Tape drain, \$1; Joseph Rhody, assisting survey Boothroyd and Tape drain, \$2.

McLarty-Wilson, that the application of Geo. Winter re Balmer branch of Fields Creek drain and also the application of W. D. Campbell and Wm. Simpson on Alexander drain be received and Angus Smith, C.E., be instructed to make the necessary examination and report.—Carried.

Williams-McLarty, that the reeve and E. Brien be a committee to look after the interest of the township, re Golf gravel pit.—Carried.

Wilson-Brien, that the court of revision on the McGregor Creek and Butler drains be adjourned until July 4th at 2 and 2.30 p.m. respectively.—Carried.

Wilson-McLarty, that the accounts as read be paid with the exception of claims of Geo. Higgs and Ed. Orendorf, and charge to their several accounts.—Carried.

McLarty-Wilson, that the report of Jas. A. Bell, C.E., for the repairing of South Marsh drain be referred back and ask him to make a definite report, stating which should be done, repair the tile or make an open drain.—Carried.

McLarty-Wilson, that the account of J. S. Boothroyd for the amount of \$2 for attending at the summing up of the vote on the by-law re township hall be paid and charge to G. F.—Carried.

Wilson-McLarty, that the report of W. G. McGeorge, C.E., for the construction of a concrete arch culvert at Morpeth be received and that the clerk be instructed to advertise for tenders, same to be received until June 20th at noon.—Carried.

Brien-Wilson, that the reports of Jas. A. Bell, C.E., for the repairing and improving of the Boothroyd and Tape and the Cruickshank drains be received and the clerk be instructed to prepare a by-law for same.—Carried.

Williams-Brien, that the report of A. Smith, C.E., for the improving of McDowell drain be received and ask him to prepare a by-law for same.—Carried.

Brien-McLarty, that the report of F. Campbell, reeve, and J. C. Williams re gravel pit on lot 7, T.L.R., be received.—Carried.

McLarty-Wilson, that the by-law on the Cruickshank drain be provisionally adopted and that the clerk notify as directed by Sec. 22 of the Drainage act, 1894, and that the court of revision on the Boothroyd and Tape drains be held in township hall on July 2nd at 2 p.m., on same day.—Carried.

Brien-Williams, that this council do now adjourn until July 4th at 10 a.m. for general business.—Carried.

GEO. McDONALD, Clerk.

DOVER COUNCIL

The council met at court of revision on Dolson creek mechanical drain, June 28th. The members were all present, and having made and signed the necessary oath, the court of revision organized. The clerk stated that no appeals were put in against the engineer's assessment.

Moved by Mr. Boyer, seconded by Mr. King, that no appeal having been made against the improvement of the drain, the engineer's assessment be sustained and the court of revision close.—Carried.

The adjourned court of revision on the assessment rolls met. The members were all present. The minutes of the last meeting were read and adopted. On motion of Mr. Lewis and Boyer that as Anthony Barner did not appear at the court of revision to give evidence re being assessed for public school rate instead of separate school rate, and on the solicitor's advice on the matter, Mr. Barner's rating was not altered, the clerk to make the alterations in the assessment rolls as decided by the court of revision, and the rolls adopted as the revised assessment rolls of the township and the court of revision closed.

Withering the Tea Leaf

A tea leaf must be withered to allow the sap and other moisture to evaporate so that the leaf may become soft and flaccid enough to render it susceptible to a twist by the roller.

Blue Ribbon Ceylon Tea

is withered so that

the leaf will twist perfectly. A perfect twist means a better retention of the flavor and aroma. That is one reason why Blue Ribbon Tea—Red Label—tastes rich and delicious—smells in a way that ravishes the senses—is a tea fit for an epicure.
